RE: ICE FOIA Case Number 2013FOIA07484

Dear Ms. Stevens:

This is the final response to your Freedom of Information Act (FOIA) request to U.S. Department of Homeland Security (DHS), U.S. Immigration Customs Enforcement (ICE), dated December 17, 2012, for all of the ICE private contracts and Intergovernmental Service Agreements for San Bernadino County, CA, including but not limited to the contracts for work performed in and with the city of Adelanto, which is in San Bernadino County, CA. The range of these contracts and IGSA's is for any work performed since January 1, 2008.

We conducted a comprehensive search within ICE's Office of Enforcement Removal Operations (ERO) and Office of Acquisition Management (OAM) for records that would be responsive to your request. ERO was unable to locate any records responsive to your request and OAQ responded with 235 pages of records related to your request.

To provide you with the greatest degree of access authorized by law, we have considered your request under the FOIA, 5 U.S.C. § 552.

After a review of the records produced by (OAQ), I have determined that portions of 235 page(s) will be withheld pursuant to Exemptions (b)(4), (b)(6) and (b)(7)(C) of the FOIA.

FOIA Exemption 4 protects trade secrets and commercial or financial information obtained from a person that is privileged or confidential. The courts have held that this subsection protects (a) confidential commercial information, the disclosure of which is likely to cause substantial harm to the competitive position of the person who submitted the information and (b) information that was voluntarily submitted to the government if it is the kind of information that the provider would not customarily make available to the public. I have reviewed the responsive documents, the submitter's objections to release, and relevant case law, and I have determined that portions of the responsive records are exempt from disclosure under subsection (b)(4) of the FOIA and must be withheld in order to protect the submitter's proprietary interests.

ICE has applied FOIA Exemptions 6 and 7(C) to protect from disclosure the names, e-mail addresses, and phone numbers of DHS employees contained within the documents.

FOIA Exemption 6 exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information.

Any private interest you may have in that information does not factor into the aforementioned balancing test.

FOIA Exemption 7(C) protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate. As such, I have determined that the privacy interest in the identities of individuals in the records you have requested clearly outweigh any minimal public interest in disclosure of the information. Please note that any private interest you may have in that information does not factor into this determination.

You have the right to appeal ICE's withholding determination. Should you wish to do so, send your appeal and a copy of this letter to: U.S. Immigration Customs Enforcement, Office of Principal Legal Advisor, U.S. Department of Homeland Security, Freedom of Information Office, 500 12th Street, S.W., Stop 5009 Washington, D.C. 20536-5009, following the procedures outlined in the DHS regulations at 6 C.F.R. § 5.9. Your appeal must be received within 60 days of the date of this letter. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia.

The Office of Government Information Services (OGIS) also mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. If you wish to contact OGIS, *you may* email them at ogis@nara.gov or call 1-877-684-6448.

Provisions of the FOIA and Privacy Act allow us to recover part of the cost of complying with your request. In this instance, because the cost is below the \$14 minimum, there is no charge.¹

If you need to contact our office about this matter, please refer to FOIA case number **2013FOIA07484**. This office can be reached at (866) 633-1182.

Sincerely,

Catrina M. Pavlik-Keenan
FOIA Officer

Article I. Purpose

- A. Purpose: The purpose of this Intergovernmental Service Agreement (IGSA) is to establish an Agreement between ICE and the Service Provider for the detention and care of persons detained under the authority of the Immigration and Nationality Act, as amended. All persons in the custody of ICE are “Administrative Detainees.” This term recognizes that ICE detainees are not charged with criminal violations and are only held in custody to assure their presence throughout the administrative hearing process and to assure their presence for removal from the United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.

ICE is reforming the immigration detention system to move away from a penal model of detention. A key goal of reform is to create a civil detention system that is not penal in nature and serves the needs of ICE to provide safe and secure conditions that accommodate the needs of a diverse population, including the need for medical, mental health, and dental care, and ample access to recreation, attorneys, family visitation, religious and other programs. Reform also includes detaining people close to the sites of their apprehension and near to hospitals, immigration service providers, and transportation hubs.

- B. Requirements: ICE requires a wholly new generation of detention facilities uniquely suited to ICE’s civil detention authority. Preference will be given to facilities that feature innovative and cost-effective designs and new approaches to staffing, and operations; and must be flexible, multipurpose, and expandable. They must also provide housing environments with abundant natural light, outdoor recreation, contact visitation, noise control, freedom of movement, programming opportunities consistent with detainee demographics, and modern and fully functional medical facilities. Persons housed at these facilities will range in security level from minimum to high.
- C. Responsibilities: This Agreement sets forth the responsibilities of ICE and the Service Provider. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from ICE at the rate prescribed in Article I C.
- D. Rates: This is a fixed rate agreement, not a cost reimbursable agreement, with respect to the bed day rate for a total of (b)(4) detainees. The Service Provider shall provide the first (b)(4) spaces at the Adelanto Processing Center-East. The additional (b)(4) space at the Adelanto Processing Center-West will be ready for occupancy 14 months after the IGSA is signed plus 75 days for ramping up. ICE will be responsible for reviewing and approving the costs associated with this Agreement and subsequent modifications utilizing all applicable federal procurement laws, regulations and standards in arriving at the bed day rate.

* Transportation pricing includes the required transportation teams, a (b)(4) responsible for delivering detainees to different locations in the Los Angeles AOR e.g. San Bernardino and Los Angeles Offices. The van will be primarily but not exclusively utilized to deliver detainees to scheduled medical appointments and the Service Provider shall maintain availability to utilize the (b)(4) at the same time. Transportation/Detention officers will be appropriately licensed and will be responsible for transporting detainees with the use of the three appropriately staffed identified vehicles. If transportation increases in volume whereby additional transportation staff and/or vehicles are required the fixed monthly rate may be adjusted to incur additional costs. The pricing also includes transporting detainees to scheduled medical appointments, outside courts and ICE Air Operations. All USDOT Hours of Service will be followed and any approved Over Time incurred will be reimbursed at the overtime rate. All fuel expenses will be a direct pass through to the government on a monthly basis.

Article II. General

- A. Commencement of Services: ICE is under no obligation to utilize the facilities identified herein until the need for detention services has been confirmed, funding has been identified and made available, the facility meets ICE requirements, and is in full compliance with ICE detention standards.
- B. Exclusivity: The Service Provider agrees that the Facility is to be for the exclusive use of ICE and its detainee population. No other agency will be allowed to use the Facility to house its detainees, prisoners, or inmates without prior approval of the Contracting Officer. If given approval, a separate bed day rate shall be negotiated with the other agency and ICE shall not be responsible for payment related to beds used by another agency. The other agency will be separately invoiced for the beds it uses. Detainees shall under no circumstances be commingled with non-ICE detainees or inmates. The duration of the use of beds will be determined on a case-by-case basis.
- C. Funding: The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate

funding. Orders will be placed under this Agreement when specific requirements have been identified and funding obtained. Performance under this Agreement is not authorized until the Contracting Officer issues an order in writing. The effective date of the Services will be negotiated by the Contracting Officer and specified in an order under this Agreement.

- D. Subcontractors: The Service Provider shall notify and obtain approval from the ICE Contracting Officer's Technical Representative (COTR) or designated ICE official if it intends to house ICE detainees in a facility other than the City of Adelanto. If either the facility or any future facility is operated by an entity other than the Service Provider, ICE shall treat the entity as a subcontractor to the Service Provider. The Service Provider shall obtain the Contracting Officer's approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. All payments will be made to the Service Provider. ICE will not accept invoices from, or make payments to, a subcontractor. Subcontractors that perform under this agreement are subject to the terms and conditions of this IGSA.

- E. Consistent with Law: This is a firm fixed rate Agreement, not a cost reimbursable Agreement. This Agreement is permitted under applicable statutes, regulation, policies or judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.

- F. Use of Service Provider's Policies and Procedures: Upon concurrence from ERO, the Contracting Officer shall approve the Service Provider's policies and procedures for use under this Agreement. Upon approval, the Service Provider can use its policies and procedures in conjunction with the detention standards mandated under this Agreement.

- G. Notification and Public Disclosures: Information obtained or developed as a result of this IGSA is under the control of ICE and shall be subject to public disclosure only pursuant to the provisions of applicable federal laws, regulations, and executive orders or as ordered by a court. Insofar as any documents created by the Service Provider contain information developed or obtained as a result of this IGSA, such documents shall be subject to public disclosure only pursuant to the provisions of applicable federal laws, regulations, and executive orders or as ordered by a court. To the extent the Service Provider intends to release the IGSA or any information relating to, or exchanged under, this IGSA, the Service Provider agrees to coordinate with the ICE Contracting Officer prior to such release. The Service Provider may, at its discretion, communicate the substance of this IGSA when requested. ICE understands that this IGSA will become a public document when presented to the Service Provider's governing body for approval.

Article III. Covered Services

Below are the general requirements under this Agreement. Specific requirements for the services under this Agreement are stated in the attached Statement of Work, Part A and Part B (Appendix A).

The Service Provider shall provide a total of (b)(4) with a minimum guaranteed of (b)(4) effective 14 months after IGSA is signed. The Service Provider shall house all detainees as determined within the Service Provider's classification system and ICE PBNDS classification standards. ICE will be financially liable only for the actual detainee bed days as defined in Paragraph C of Article III.

- B. Basic Needs: The Service Provider shall provide ICE detainees with safekeeping, housing, subsistence, medical and other services in accordance with this Agreement. In providing these services, the Service Provider shall ensure compliance with all applicable laws, regulations, fire and safety codes, policies and procedures.

ICE will make its best efforts to remove the juvenile within seventy-two (72) hours.

- C. Unit of Service and Financial Liability: The unit of service is called a "bed day" and is defined as one person per day. The bed day begins on the date of arrival. The Service Provider may bill ICE for the date of arrival but not the date of departure. The Service Provider shall not charge for costs that are not directly related to the housing and detention of detainees. Such unallowable costs include but are not limited to:

The Service Provider shall provide all instructions verbally, either in English or the detainees' language, as appropriate, to detainees who cannot read.
- E. Escort and Transportation Services: The Service Provider shall provide, upon request of the COTR or ICE designee, necessary escort and transportation services for ICE detainees to and from designated locations. Escort services shall be provided for escorting detainees to court hearings, escorting witnesses to the courtroom, and any escort services requested by an ICE judge during proceedings. Transportation and/or escort services shall be provided to transport detainees from the facility to and from a medical facility for outpatient care. The Service Provider shall provide transportation services to and from medical facilities and doctor offices for necessary scheduled appointments, the cost of which is included in the bed day rates payable to the Service Provider.

In Addition, the Service Provider shall provide any further transportation services to and from the facility as may be required or requested by the COTR, including but not limited to transportation between the Facility and the Court.

The Service Provider shall use a communications system that has direct and immediate contact with all transportation vehicles. Transportation and escort services shall be provided in the most economical and efficient manner. The Statement of Work provides specific escort and transportation services requirements unique to this Agreement.

- F. Guard Services: The Service Provider shall provide stationary guard services upon request of the COTR which shall include, but is not limited to, escorting and guarding detainees to medical or doctor's appointments, Executive Office of Immigration Review (EOIR) hearings at The City of Adelanto, attorney interviews at The City of Adelanto, Legal Orientation Program (LOP) at The City of Adelanto and other locations stated in the attached Statement of Work (SOW). Qualified personnel employed by the Service Provider shall perform such services. The Service Provider agrees to augment such practices as may be requested by ICE to enhance specific requirements for security, detainee monitoring, visitation, legal orientation program, and contraband control. Staff providing guard services for ICE detainees shall refrain from utilization of social networking services or other electronic programming not directly associated with duties being performed to ensure the safety and welfare and oversight of the detained population.

G. Medical Services: The Statement of Work provides specific medical service requirements unique to this Agreement. Regardless of the unique requirements for this Agreement, the Service Provider shall provide the following services regarding medical care of detainees:

1. The Service Provider shall provide for medical screening of every detainee upon arrival at the Facility performed by health care personnel or health trained personnel.
2. Medical coverage at the Facility shall be no less than twenty-four (24) hours per day, seven (7) days per week.
3. The Service Provider shall provide the detainees written instructions for gaining access to health care services. Procedures shall be explained to all detainees in the detainees' native language, and orally to detainees who are unable to read. The detainee shall similarly be provided instructions and assistance in personal hygiene, dental hygiene, grooming and health care. It shall be made routinely available to the detainees.
4. The Service Provider shall provide to all detainees a written policy and defined procedure to require that detainees' written health complaints are solicited and delivered to the medical facility for appropriate follow-up. Written policy and defined procedure shall require that health care complaints are responded to and that sick call conducted by health care personnel or health trained personnel is available to detainees daily. If a detainee's custody status precludes attendance at sick call, arrangements shall be made to provide sick call services in the place of the detainee's detention. A minimum of one sick call shall be conducted daily. U.S. Public Health Service ("USPHS") reserves the right to conduct triage and sick call at the place of the detainee's detention.
5. The Service Provider shall provide and maintain basic first aid kits throughout the Facility. First aid kits shall be available at all times to allow quick access.

ACA – American Correctional Association.

ADMINISTRATIVE HEALTH AUTHORITY - The administrative authority is responsible for all access to care, personnel, equipment, and fiscal resources to support the delivery of health care services.

ADMINISTRATIVE SEGREGATION - A form of separation from the general population used when the continued presence of the detainee in the general population would pose a threat to life, property, self, other detainees or staff, or to the security or orderly running of the facility. This housing status also includes detainees who require protective custody, those who cannot be placed in the local population because they are en route to another facility (holdovers), those who are awaiting a hearing before a disciplinary panel and those requiring separation for medical reasons.

ADMISSION/ADMISSIONS PROCESS - In-processing of newly arrived detainees, which includes an orientation to the policies, programs, rules, and procedures of the facility. BODY-CAVITY SEARCH - The visual inspection or physical probing of body openings (anus, vagina, ears, nose, mouth, etc) where weapons, drugs, or other contraband could be secreted. This is the most intrusive means of searching an individual, reserved for instances where other search techniques have been considered but rejected as ineffective under the particular circumstances of the case. Body-cavity search procedures govern physical probes, but not visual inspections.

For example, the procedures would not be appropriate for a *visual* inspection of the inside of the mouth, nose, or ears, unless contraband is found during the course of that inspection. Body-search procedures apply whenever contraband is found, because retrieving/seizing the item will involve physical entry into or probing within the cavity (in this example, the mouth, nose, or ear).

The Parties shall base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards in arriving at the bed day rate. If ICE does not receive an official request for a bed day rate adjustment that is supported by an ICE Jail Services Cost Statement, the fixed bed day rate as stated in this Agreement will be in place indefinitely.

- B. DHS may, as it deems appropriate, authorize and make a favorable Entry-On-Duty (EOD) decision based on preliminary security checks. The favorable EOD decision would allow the employees to commence work temporarily prior to the completion of the full investigation. The granting of a favorable EOD decision shall not be considered as assurance that a full employment suitability authorization will follow as a result thereof. The granting of a favorable EOD decision or a full employment suitability determination shall in no way prevent, preclude, or bar the withdrawal or termination of any such access by DHS, at any time during the term of the agreement. No employee of the Service Provider shall be allowed to EOD and/or access sensitive information or systems without a favorable

EOD decision or suitability determination by the Office of Professional Responsibility, Personnel Security Unit (OPR-PSU). No employee of the Service Provider shall be allowed unescorted access to a Government facility without a favorable EOD decision or suitability determination by the OPR-PSU. Service Provider employees assigned to the Agreement not needing access to sensitive DHS information or recurring access to DHS facilities will not be subject to security suitability screening.

- C. **Background Investigations:** Service Provider employees (to include applicants, temporaries, part-time and replacement employees) under the Agreement, needing access to sensitive information, shall undergo a position sensitivity analysis based on the duties each individual will perform on the agreement. The results of the position sensitivity analysis shall identify the appropriate background investigation to be conducted. Background investigations will be processed through the Personnel Security Unit. Prospective Provider employees with adequate security clearances issued by the Defense Industrial Security Clearance Office (DISCO) may not be required to submit complete security packages, as the clearance issued by DISCO may be accepted. Prospective Service Provider employees without adequate security clearances issued by DISCO shall submit the following completed forms to the Personnel Security Unit through the COTR, no less than five (5) days before the starting date of the Agreement or five (5) days prior to the expected entry on duty of any employees, whether a replacement, addition, subcontractor employee, or vendor:

Be advised that unless an applicant requiring access to sensitive information has resided in the United States for three (3) of the past five (5) years, the Government may not be able to complete a satisfactory background investigation. In such cases,

DHS retains the right to deem an applicant as ineligible due to insufficient background information.

The use of Non-U.S. citizens, including Lawful Permanent Residents (LPRs), is not permitted in the performance of this Agreement for any position that involves access to, development of, or maintenance to any DHS IT system.

- D. Continued Eligibility: If a prospective employee is found to be ineligible for access to Government facilities or information, the COTR will advise the Service Provider that the employee shall not continue to work or to be assigned to work under the Agreement.

The OPR-PSU may require drug screening for probable cause at any time and/or when the Provider independently identifies, circumstances where probable cause exists.

The OPR-PSU may require reinvestigations when derogatory information is received and/or every five (5) years.

DHS reserves the right and prerogative to deny and/or restrict the facility and information access of any Service Provider employee whose actions are in conflict with the standards of conduct, 5 CFR 2635 and 5 CFR 3801, or whom DHS determines to present a risk of compromising sensitive Government information to which he or she would have access under this Agreement.

The Service Provider will report any adverse information coming to their attention concerning Service Provider employees under the Agreement to the OPR-PSU through the COTR. Reports based on rumor or innuendo should not be made. The subsequent termination of employment of an employee does not obviate the requirement to submit this report. The report shall include the employees' name and social security number, along with the adverse information being reported.

The OPR-PSU must be notified of all terminations/ resignations within 5 days of occurrence. The Provider will return any expired DHS issued identification cards and building passes, or those of terminated employees to the COTR. partnership with the Social Security Administration (SSA) that allows participating employers to electronically verify the employment eligibility of their newly hired employees. E-Verify represents the best means currently available for employers to verify the work authorization of their employees.

Each employee working on this contract shall have a Social Security Card issued and approved by the Social Security Administration. The Contractor shall be responsible to the Government for acts and omissions of his own employees and for any subcontractor(s) and their employees.

Subject to existing law, regulations and/or other provisions of this contract, illegal or undocumented aliens shall not be employed by the Contractor, or under this contract. The individual shall interface with the OPR-PSU through the COTR on all security matters, to include physical, personnel, and protection of all Government information and data accessed by the Contractor.

The COTR and the OPR-PSU shall have the right to inspect the procedures, methods, and facilities utilized by the Contractor in complying with the security requirements under this contract. Should the COTR determine that the Contractor is not complying with the security requirements of this contract, the Contractor will be informed in writing by the Contracting Officer of the proper action to be taken in order to effect compliance with such requirements.

The following computer security requirements apply to both Department of Homeland Security (DHS) operations and to the former Immigration and Naturalization Service operations (FINS). These entities are hereafter referred to as the "Department."

- G. Service Provider personnel must have favorably adjudicated background investigations commensurate with the defined sensitivity level.

Service Providers who fail to comply with Department security policy are subject to having their access to Department IT systems and facilities terminated, whether or not the failure results in criminal prosecution. Any person who improperly discloses sensitive information is subject to criminal and civil penalties and sanctions under a variety of laws (e.g., Privacy Act).

- H. Information Technology Security Training And Oversight: All Service Provider employees using Department automated systems or processing Department sensitive data will be required to receive Security Awareness Training. This training will be provided by the appropriate component agency of DHS.

Service Providers who are involved with management, use, or operation of any IT systems that handle sensitive information within or under the supervision of the Department shall receive periodic training at least annually in security awareness and accepted security practices and systems rules of behavior. Department Service Providers, with significant security responsibilities, shall receive specialized training specific to their security responsibilities annually. The level of training shall be commensurate with the individual's duties and responsibilities and is intended to promote a consistent understanding of the principles and concepts of telecommunications and IT systems security.

All personnel who access Department information systems will be continually evaluated while performing these duties. Supervisors should be aware of any unusual or inappropriate behavior by personnel accessing systems. Any unauthorized access, sharing of passwords, or other questionable security procedures should be reported to the local Security Office or Information System Security Officer (ISSO).

The Service Provider shall not change the individual(s) responsible for the QCP without prior approval of the Contracting Officer.
- C. The QCP shall include, at a minimum:

2. Procedures for written and verbal communication with the Government regarding the performance of the Agreement.
 3. Specific surveillance techniques for each service identified in the Agreement and each functional area identified in the PRS.

The Service Provider shall provide copies of all inspections, inspection results, and any corrective action taken to the COTR and Contracting Officer.
- E. Failure by the Service Provider to maintain adequate quality control can result in monetary deductions based upon the schedule of deductions incorporated herein.

Article XX. Contracting Officer's Technical Representative (COTR)

- A. The COTR will be designated by the Contracting Officer. When and if the COTR duties are reassigned, an administrative modification will be issued to reflect the changes. The Service Provider shall continue performance of efforts that are deemed within the scope.

The GEO Group, Inc. manages the Desert View Modified Community Correctional Facility in Adelanto, California under the terms of an operations and management agreement with the California Department of Corrections (CDC), hereinafter referred to as the "Client". As the management agent for the CDC, the terms of this document are governed by the California Penal Code and the California Code of Regulations, Title-15, Administration of Correctional Facilities and the Department Operations Manual. The Adelanto Detention Facilities (Adelanto East and West) are operated under terms and conditions of an operations and management agreement with the City of Adelanto. WITNESSETH

WHEREAS, the parties have entered into collective bargaining negotiations, which negotiations have resulted in complete agreement between the parties. NOW THEREFORE, it is agreed by and between the Company and the Union as follows:

ARTICLE 1 RECOGNITION AND PURPOSE

- 1.1 The Company and the Union agree to include, by accretion, the new facilities which comprise the Adelanto Detention Facility (Adelanto East and West). It is also agreed that within this Section detention services at certain facilities in San Bernardino County, California and surrounding areas includes Adelanto, California and the Adelanto Detention Facility (Adelanto East and West), therefore, the Company recognizes the International Union, Security, Police and Fire Professionals of America (S.P.F.P.A.) and its amalgamated Local # 151 as the exclusive collective bargaining representative for all full-time and part-time Correctional Officers employed by the Company at the Desert View Modified Community Correctional Facility in Adelanto, California, as defined in the NLRB certification 31-RC-8022 and all full-time and part-time Detention Officers employed at the Adelanto Detention Facilities (Adelanto East and West) and excludes corporals, sergeants, lieutenants, administrators, assistant facility administrators, captains, professional employees and supervisors as defined in the Act.

- 1.2 For the purpose of this Agreement, the term "Officer" or "Officers" designates only such Officers as are covered by this Agreement.
- 1.3 It is the intent and purpose of the parties to this Agreement to establish and maintain a relationship built upon mutual trust and respect. It is recognized that such a relationship can best be achieved by open dialogue, timely resolution of differences, and negotiating in good faith.

ARTICLE 2 UNION SECURITY

- 2.1 All Officers hereafter employed by the Company in the classification covered by this Agreement shall become members of the Union and remain in good standing not later than the thirty-first (31st) day following the beginning of their employment, or the date of the signing of this Agreement, whichever is later, as a condition of continued employment.
- 2.2 An Officer who is not a member of the Union at the time this Agreement becomes effective shall become a member in good standing of the Union within ten (10) days after the thirty-first (31st) day following the effective date of this Agreement, and for the duration of this Agreement. Also as a condition of employment, an Officer shall remain a member of the Union to the extent of paying an initiation fee and the membership dues uniformly required as a condition of acquiring or retaining membership in the Union, for the duration of this Agreement.
- 2.3 Officers meet the requirement of being members in good standing of the Union, within the meaning of this Article, by tendering the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership in the Union or, in the alternative, by tendering to the Union financial core fees and dues, as defined by the U. S. Supreme Court in *NLRB v. General Motors Corporation*, 373 U.S. 734 (1963) and *Beck v. Communications Workers of America*, 487 U.S. 735 (1988).
- 2.4 In the event the Union requests the discharge of an Officer for failure to comply with the provisions of this Article, it shall serve written notice on the Company requesting that the employee be discharged effective no sooner than two (2) weeks of the date of that notice. The notice shall also contain the reasons for discharge. In the event the Union subsequently determines that the employee has remedied the default prior to the discharge date, the Union will notify the Company and the Officer, and the Company will not be required to discharge that Officer.
- 2.5 This Article shall be subject to all applicable state and federal laws.

- 2.6 The Union agrees to indemnify and save the Company harmless against any claim, suits, judgments, or liabilities of any sort whatsoever arising out of the Company's compliance with the provisions of this Union Security Article.

ARTICLE 3 NON-DISCRIMINATION

- 3.1 The Company has the right to promulgate policies, reporting requirements and procedures regarding equal employment opportunity, discrimination and harassment. These policies, reporting requirements and procedures will, at a minimum, meet those required by California and/or Federal Laws and Regulations.
- 3.2 Neither the Company nor the Union shall discriminate against any Officer by reason of the following status: age, sex "except where age or sex is a bona fide occupational qualification", race or ethnic origin, color, national origin, religion, disability, disabled or Vietnam era veteran, political affiliation, marital status, or membership or non-membership in a union, or any other prohibited basis, and in a manner consistent with all applicable laws, regulations and orders.
- 3.3 The use of any male pronoun in this Agreement is a generic reference.

ARTICLE 4 HOURS OF WORK AND OVERTIME

- 4.1 For payroll purposes the normal workweek shall commence at 0000 hours on Monday and end 2359 on Sunday. The normal workday shall commence at the start of an Officer's shift and extend for a period of twenty-four (24) hours. The foregoing is descriptive only; nothing herein shall be construed as guaranteeing any specified number of hours of work or pay per week. It is understood that the description of a "normal work week" does not describe a pay period or the number of annual pay periods. The Company, at its sole discretion, will determine the number of annual pay periods based on its payroll system. The Company will not change an Officer's days off or schedule for the sole purpose of avoiding sixth or seventh day overtime.
- 4.2 Each Officer will be given a thirty (30) minute unpaid off-duty meal period approximately midway between the start and end of his shift. The Officer will not be required to perform any duties, whether active or inactive, while eating. Should the officer be required to perform any duties, whether active or inactive, the affected Officer will be paid for the meal period at the appropriate rate. Officers may also leave the facility for their meal period if they wish after contacting their supervisor.
- 4.3 Each Officer will be given two (2) ten (10) minute paid rest periods to be taken midway between each one-half (½) of his or her shift

- 4.4 Officers required to attend a pre-shift briefing will be paid for the time so spent.
- 4.5 Overtime shall be paid as follows:
1. One and one-half (1 ½) times the Officer's regular rate of pay shall be paid for all hours worked in excess of eight (8) hours up to and including twelve (12) hours within any given workday (or for all hours in excess of forty (40) hours worked in a single workweek) and for the first eight (8) hours worked on the seventh (7th) day of work.
 2. Double (2x) the Officer's regular rate of pay shall be paid for all hours worked in excess of twelve (12) hours in any workday and for all hours worked in excess of eight (8) hours on the seventh (7th) day of work in any workweek.
 3. To ensure that Officers are paid for all hours actually worked (either regular or overtime hours) the Company will determine the method of collecting and processing time. Officers will be responsible for accurately applying the rules of any such time keeping process implemented by the Company. Any changes in the time keeping process will be provided to the Union within a reasonable time prior to the implementation. The method of time keeping will not be subject to the grievance and arbitration process as set forth in Article-12.
- 4.6 No overtime work shall be required or permitted, except by direction of the proper supervisory personnel of the Company, or except in cases of emergency where prior authorization cannot be obtained. Officers will be notified as soon as is reasonably possible of the need to work overtime. Officers will be notified of mandatory overtime in a timely manner, preferably two hours in advance, unless an emergency occurs, including "no call, no show."
- 4.7 The payment of overtime for any hour excludes that hour from consideration for overtime payment on any other basis. There shall be no pyramiding or duplication of premium or overtime pay. In the event more than one premium seems to be due under this Agreement, only the higher premium shall apply.
- 4.8 In the event of "no-shows", Officers may be held over to the next shift until a replacement is found and the Officer has been properly relieved. Sub-section 4.9, d. of this article will be followed unless a Specialized Skill is necessary to meet operational needs.
- 4.9 In the event overtime cannot be filled from volunteers, the Company has the right to mandate that Officers work overtime. Mandatory overtime applies to all full-time members of the Officer work force. Part-time Officers may be mandated to work overtime in the event of emergency or other operational need. In an effort to fairly and equitably manage both volunteer and mandatory overtime opportunities, the following process will be adopted.

- a. The Company will prepare and maintain a seniority roster for each shift. This roster will be posted in the Shift Supervisor's Office. The Roster will be arranged in reverse order (least to most seniority).
- b. Officers will have access to and may review the seniority list to review where they fall on the list in relation to other Officers, determine if they may fall into a mandatory category so they can make any necessary outside arrangements, and with the Supervisor, have an opportunity to correct any errors.
- c. At the beginning of each shift overtime will be first offered on a volunteer basis to the Officers on a hold over or early in basis. If there are more volunteers than overtime opportunities, the volunteer with the most seniority will be provided the overtime opportunity. A volunteer call-in list will be available in the Shift Supervisors Office. Those Officers wishing to volunteer on a call in basis may do so by placing their name on the volunteer list. If volunteers are not available on a hold over or early in basis the Shift Supervisor will consult the volunteer call in list.
- d. In the event there are an insufficient number of volunteers and mandatory overtime becomes necessary, overtime mandation will be determined by seniority, beginning with the least senior Officer being mandated first and continuing through the next least senior Officer each day. When an Officer (s) has been mandated to "Hold Over" overtime, if the Company calls in another Officer (s) to relieve the held over Officer(s), the Officer who has been mandated the most will be relieved without regard to seniority. In the event that Officer(s) have been mandated an equal number of times the most senior Officer will be relieved first. An Officer who has volunteered to stay over will be relieved last if a relief is called in.
- e. Should it become necessary to call Officers at home for mandated overtime, the same process of least senior Officer being mandated first and continuing through the next least senior Officer each day. If the supervisor is unable to contact the least senior Officer, they will note the attempt and reason in a written log book and then attempt to contact the next Officer on the list. This log will be made available to shift stewards for the purpose of periodic review and resolution of errors. It is every Officer's responsibility to keep the Company informed of any changes in their address and phone number. The Company is not responsible for Officer's who do not keep them informed of their current contact number (s). Officers may supply a maximum of two contact phone numbers. One phone will be listed as the primary number. Another number (cell phone or other) may also be provided. Supervisors will make their initial call on the primary number provided by the Officer. Officers must provide an accurate primary contact phone number and inform supervisors should this

number change. A failure to provide changes to primary or secondary phone numbers will result in appropriate discipline.

- f. It is the Company's intention to use "Hold Over" overtime whenever possible in order to balance overtime opportunities between shifts. The Union recognizes that there may be posts that require specialized skills and in regard to those posts there may be times when strictly following the above overtime equalization process may not be possible. "Early In" overtime will only be available for specialized posts that require certain Officers' training and skills or in emergency cases. It is the Company's intention to use "Hold Over" whenever possible to fill vacant posts.
- g. It is the Company's intention to avoid assigning either volunteer or mandatory overtime in error. Should a volunteer be passed over for an overtime assignment they will be given the next available volunteer overtime assignment. Should an Officer be mandated to work overtime out of turn, they will be not be considered for mandatory overtime the next time their name comes up to be mandated. Its only intent is to assist Officers when errors are made.
- h. Supervisors will not receive bargaining unit overtime opportunities unless there are no volunteers, or the mandatory list of officers has been exhausted and/or in emergency situations, including "no call, no show."

The parties have also acknowledged that by mutual agreement this procedure may be modified from time to time to accommodate our changing environment. Such changes will be reduced to writing and signed by the Company's Corporate office and Union's Regional Vice President.

- 4.10 Failure to work mandated overtime will result in appropriate discipline, up to and including discharge.
- 4.11 Schedule shift swaps are authorized and Officers wishing to swap shifts must complete the Shift Swap Mutual Agreement Form five (5) days prior to the shifts that are to be swapped and are subject to the following conditions:
 - a. Each Officer is responsible for reporting to duty on the date or date (s) agreed upon.
 - b. The date (s) agreed upon are considered the Officer (s) regular working days.
 - c. The agreement only applies to the shift to be worked, not a specific post.
 - d. In instances where the swap covers two separate shifts both Shift Supervisors' approval will be required.

- e. Officers are not authorized to work more than 16 hours in a workday and must have an 8 hour rest period between shifts.
 - f. Approval is at the discretion of the Facility Captain, based upon the needs of the facility.
 - g. Officers shall understand that any failure to cover the date (s) within this mutual agreement may lead to appropriate discipline.
- 4.12 Part-time Officers not already scheduled to work will be called in, if necessary, by seniority (most senior to least senior). A part-time seniority list will be maintained in the Shift Supervisor's office. Part-time Officers will be able to view the Part-time seniority list to see where they fall. Should a Part-time Officer be called to work and he does not answer the call, the Supervisor will note the lack of response and move to the next most senior Officer on the seniority list.

ARTICLE 5

CALL-IN AND REPORTING PAY

- 5.1 Officers are required to report for work at their scheduled starting times. Because a failure to report on time can cause delays in filling the requirements for shift coverage, this may cause supervisors to attempt to find replacements and places a hardship on other Officers. Failing to report to work on time will result in progressive discipline as outlined in Article-14.
- 5.2 Officers are required to call the on-site Shift Supervisor, a minimum of two (2) hours prior to the start of the scheduled shift, if they are unable to work their scheduled shift. The failure to call a minimum of 2-hours prior to the start of the shift constitutes a violation and will result in progressive discipline as outlined in Article-14. Officers who fail to report for duty at least two (2) consecutively scheduled workdays without notifying the Shift Supervisor or higher authority (unless they were prevented from doing so due to circumstances beyond their control) will be considered as having abandoned their position and their employment will be terminated without recourse to the grievance and arbitration procedures set forth in Article-12.
- 5.3 An Officer who reports for work at his or her regular starting time or has been called in to work and has not been advised either orally or in writing not to report shall receive a minimum of four (4) hours work or four (4) hours pay at the appropriate hourly rate.
- 5.4 The provisions of Section 5.3 above shall not apply if the Company is unable to advise the Officer not to report or provide the work because of acts of God, fire, snowstorm, flood, power failure, or other conditions or causes beyond the control of the Company.

ARTICLE 6 LEAVES OF ABSENCE

- 6.1 Other than those leaves included in this Article, the Employee Handbook is recognized as the source for specific information for FMLA, Military Leave, Maternity Leave, Jury Duty, etc.
- 6.2 The Company may grant a temporary leave of absence without pay to Officers for a period of up to thirty (30) calendar days for personal reasons. All leave requests shall be submitted in writing to the Facility Administrator. Upon approval by the Facility Administrator, the Officer will receive a signed copy of the request for their records. The Facility Administrator is the sole approving authority when considering leave requests.
- 6.3 Officers on leave shall report their availability for reassignment or return to work to the Facility Administrator or his designated representative, at least forty-eight (48) hours before the expiration of their leave. Failure to properly notify the Facility Administrator may result in administrative discipline up to and including termination of employment.
- 6.4 Union Leave: Upon two weeks advance notice, up to three elected delegates of the local will be granted an unpaid leave of absence to attend the General Convention of the International once every five years. Additionally, upon two weeks advance notice up to three representatives of the local will be granted unpaid leave of absence to attend the Regional Conference held approximately every two and one-half years and to attend any negotiations regarding the Collective Bargaining Agreement.

ARTICLE 7 NO STRIKE/NO LOCKOUT

- 7.1 The parties recognize the sensitive nature of the services provided by the Company to the Client and, therefore, agree that all operations of the Company shall, during the term of this Agreement, continue without interruption.
- 7.2 Under the term of this Agreement, the Union, its members and employees within the bargaining unit represented by the Union, individually and collectively, will not advocate, encourage, condone, or take part in any strike, sympathy strike, walkout, picketing, stay-in, slowdown, concerted refusal to work, or other curtailment or restricting of the Company's operations or interference with operations in or about the Company's premises, or equipment. The Company and its representatives agree not to engage in a lockout during the term of this Agreement.
- 7.3 The parties recognize the right of the Company to take such disciplinary action as the Company in its sole discretion determines appropriate, including discharge, against any employee or employees who participate in violation of this Article,

whether such action is taken against all of the participants or against only certain participants, and the parties agree that the degree of the disciplinary action taken by the Company will not be considered a grievance or subject to review through the grievance procedure. It is understood and agreed by the parties that an employee does have the right to file a grievance solely on the issue of whether he did, in fact, violate any provisions of this Article. Separate grievances may not be joined in arbitration.

ARTICLE 8 COMPANY REGULATIONS

- 8.1 Any rules, regulations or directives (including, but not limited to the California Penal Code, Title 15 of the Code of Regulations and the Department Operations Manual or the Department of Homeland Security Immigration and Customs Enforcement or United States Marshals Service) which are now in effect, or which may be later imposed upon the Company by its Client, or any other Governmental Agency having jurisdiction will apply with equal force and effect to the Officers hereunder. Officers are also required to adhere to Company Rules and Regulations.
- 8.2 The Company reserves the right, from time to time, to amend, add to or delete from its Company Rules and Regulations and practices unless such amendment, addition or deletion would violate a specific provision of this Agreement. Copies of Rules and Regulations so imposed will be made available to the Union upon request.
- 8.3 The Union shall receive copies of all rules before Officers are disciplined for a violation pursuant to Article-14 of this Agreement.
- 8.4 Typically all work rules that could result in discipline are contained in the Employee Handbook, the Collective Bargaining Agreement, Post Orders, through internal memoranda or other means, i.e., posted notices, shift briefing information, etc. Should there be any work rules contained in facility policy, the Company will provide any Officer reasonable access, during non work hours, to all facility policies for which they could be disciplined or that contain information related to their jobs or the Company, except those policies that are considered privileged, confidential or sensitive by the Company, its client or the appropriate American Correctional Association standards. Officers will not be disciplined for information contained in policies from which they are restricted.
- 8.5 The Union will be notified at least two weeks prior to, or sooner, of any Company proposed Facility policy, rules or regulation changes. The Company and the Union agree that occasions may arise where the Company may not be able to give two weeks notice, however the Company will give notice as soon as they become aware of the proposed change (s).

ARTICLE 9 ACCESS TO FACILITY

- 9.1 Duly authorized representatives of the Union shall have reasonable access to the facility to ascertain whether the Agreement is being properly observed, provided that no interview shall be held during rush hours or interrupt operations or disrupt or interfere with the duties of any Officer. Rush Hours include, but are not limited to, count times, meal periods, major turnouts, shift changes, or other times when there is major inmate or staff movement or during an emergency situation.
- 9.2 Access to the facility after normal business hours (8:00 AM – 4:30 PM) will require prior approval from the Facility Administrator or his designee.
- 9.3 It is mutually understood that access to the facility is governed by client rules, and is subject to applicable client restrictions, and these rules and restrictions must be followed. Any representative of the International Union (or other union representative) requesting access to the facility must obtain proper clearance from the California Department of Corrections.
- 9.4 The representative of the Union shall contact the Facility Administrator, or his or her designee, then present themselves at the facility and inform the Facility Administrator, or his or her designee, of the circumstances of the visit. To the extent practicable the Union will provide the Facility Administrator with a one (1) week advanced notice before any visit by a representative of the International Union. The Company and the Union representative shall conduct themselves in such a manner as to carry out the intent and spirit of this Article.
- 9.5 The Local Union President, or his or her designee, will be allowed to meet with a group of new Officer trainees during the week of orientation. This shall be for approximately thirty (30) minutes to discuss being a Union member, hand out the Collective Bargaining Agreement, Dues Check-Off Authorization cards and membership application. Such access cannot be guaranteed on any specific advanced schedule. The Company will attempt to provide the Union representative with as much advance notice as possible.

ARTICLE 10 CHECK OFF/ADMINISTRATIVE FEES

- 10.1 Subject to the limitations of any state or federal law, the Company agrees to deduct from the first paycheck earned each calendar month by a member of the Union covered by this Agreement, the Union membership dues and initiation fees uniformly levied by the Union in accordance with said Union's constitution and by-laws, of each member of the Union who has in effect at that time proper authorization card executed by the Officer, authorizing the Company to make such deductions. A minimum of fifteen (15) days prior to the first deduction, the Union will advise the Company of the exact dollar amount due from each Officer.

- 10.2 All sums collected in accordance with such signed authorization cards shall be remitted by the Company to the Secretary-Treasurer of the Union no later than the fifteenth (15th) of the month subsequent to the month in which such sums were deducted by the Company.
- 10.3 The check-off authorization card to be executed and furnished to the Company by the Union and the Officers shall be the official Union authorization for check-off of dues, a copy of which shall be attached and made a part of this Agreement as Appendix-A. The Company shall accept no other form, unless the substitute is mutually agreed upon by the parties.
- 10.4 The Union accepts full responsibility for the authenticity of each check-off card submitted by it to the Company, and any authorizations, which are incomplete or in error shall be disregarded by the Company, and shall be returned to the Union for correction. The Union agrees that upon receipt of proper proof, it will refund to the Officer any deduction erroneously or illegally withheld from an Officer's earnings by the Company, which has been transmitted to the Union by the Company.
- 10.5 No deduction of Union dues will be made from the wages of any Officer who has executed a check-off form and has been transferred to a job not covered by this agreement or who is not in a pay status.
- 10.6 Anytime there is a change in the deduction authorization the Company will have a minimum of fifteen (15) workdays to put the change into effect.
- 10.7 An Officer who has executed a check-off form and who resigns or is otherwise discharged from the employ of the Company shall be deemed to have automatically revoked his or her assignment, and if the Officer is recalled or re-employed, further deduction of Union dues will be made only upon execution and receipt of a new check-off form.
- 10.8 The Union may assess appropriate "Administrative Fees" upon those Officers who elect not to become members of the Union, but who receive benefit from the negotiation of this Agreement.
- 10.9 Collection of back dues and/or administrative fees owed at the time of starting deductions of any Officer, and collection of dues missed because of the Officer's earnings were not sufficient to cover payment for a particular pay period, will be the responsibility of the Union, and will not be the subject of payroll deductions.
- 10.10 Deduction of membership dues and/or administrative fees shall be made, provided there is a balance in the paycheck sufficient to cover the amount after all other deductions authorized by the Officer or required by law have been satisfied. In the event of termination of employment, the obligation of the Company to collect

dues shall not extend beyond the pay period in which the Officer's last day of work occurs.

- 10.11 The Union agrees to indemnify the Company and hold it harmless against any and all claims, suits or other forms of liability which may be made against it by any party for amounts deducted from wages as herein provided.

ARTICLE 11 SENIORITY

- 11.1 For the first six (6) months worked following successful completion of facility orientation, an Officer shall be regarded as probationary and shall have no seniority or seniority rights whatsoever, and may be disciplined or discharged without recourse to the grievance procedure. Officers discharged during their probation do not have any rights under this Agreement. The Company, in consultation with the Union, may extend the probationary period in increments of 30-day blocks for up to a total of 90 additional days for training, retraining, work improvement, and additional evaluation. The first 30-day extension will be at the Company's discretion. Subsequent 30-day periods will require agreement by the Union. The Company shall provide details of any extension of the probationary period in writing. A copy will be provided to both the officer and the Union.
- 11.2 Seniority for full-time Officers under this Agreement shall begin on the Officer's date of hire. Seniority of Officers who start work on the same date shall be determined by the lowest of the last four digits of their social security number (SSN), the lower number will be the most senior. Seniority is defined as the length of continuous service with the Desert View Modified Community Correctional Facility and/or the length of continuous service with the Adelanto Detention Facility (Adelanto East and West) Part-time Officers will have seniority only among other part-time Officers. In the event of a layoff, Part-time Officers will be laid off before Full-time Officers. Part-time Officers who go full time will be entered on the Full-time Seniority list in the lowest position regardless of the length of Part-time service.
- 11.3 Seniority under this Agreement will have no influence on promotions or advancement within the Company. The benefits of seniority are limited to those specifically mentioned in this Agreement.
- 11.4 The Company agrees to prepare an updated site seniority list of Officers covered by this Agreement, a copy of which will be furnished to the Union monthly.
- 11.5 Officers will lose their seniority, and shall be discharged for any of the following:

 - e. Fails to meet qualification/re-qualification requirements in accordance with the client and/or other Governmental Agencies regulations having jurisdiction;
 - f. Fails to obtain and/or maintain a security clearance;
 - g. Fails to return from layoff upon recall as provided below;
 - h. If the Officer voluntarily resigns or retires; or
 - i. If the Officer is convicted of a felony, thereby being unable to be licensed.
- 11.6 Layoff and recalls there from shall be affected and considered on the basis of seniority. Positions requiring "special training and/or skills" will be exempt from the seniority process.
- 11.7 Laid-off Officers shall have callback rights for a period of twelve (12) months or length of employment whichever is less, and shall retain their accumulated seniority as of the date of layoff.
- 11.8 In case of re-employment, Officers who have been laid off shall be notified to return to work, at their last known address, in reverse order of lay-off. The notice will be by certified mail return receipt. In the event a former Officer so notified fails to report for work within five (5) days after receipt of such notice, his seniority shall be terminated.
- 11.9 It will be the responsibility of the laid-off Officer to keep the Company notified of any change of address, and current phone number.
- 11.10 Part-time Officers desiring to go full-time will be given consideration before new Officers are hired.
- 11.11 An Officer promoted from a bargaining unit position will, should they return to a bargaining unit position, have lost their seniority and will be entered on the seniority list in the lowest position. In cases where an Officer serves in a position not covered by the bargaining unit in a temporary or acting capacity and returns to the bargaining unit he will return with his seniority intact. Notice of such temporary assignments will be provided to the Union in advance.

ARTICLE 12

GRIEVANCE PROCEDURE AND ARBITRATION

- 12.1 The parties agree that all problems should be resolved, whenever possible, before the filing of a grievance but within the time limits for filing grievances stated elsewhere in this Article, and encourage open communications between the Company and Officers so that resorting to the formal grievance procedure will not normally be necessary. The parties further encourage the informal resolution of grievances whenever possible. A grievance is defined as a violation of a specific term or provision of this Agreement. At each step in the grievance process, participants are encouraged to pursue appropriate modes of conflict resolution. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. This grievance procedure is not intended for complaints of harassment or discrimination as referenced in the Employment Handbook and DVMCCF Policy #1.C.12.
- 12.2 It is the intent of the parties to first provide a reasonable opportunity for resolution of a dispute through the grievance procedure and arbitration process. Except as noted below, if prior to seeking resolution of a dispute by filing a grievance hereunder, or while the grievance proceeding is in process, an Officer seeks resolution of the matter in any other forum, whether administrative or judicial, the Company shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure.
- 12.3 An Officer who believes that any provision of this Agreement has not been properly applied or interpreted may present his or her grievance to be settled by the following procedures. During each step of the grievance procedure the Company has the right to perform a reasonable investigation into the complaint. The investigation may include but is not limited to: conducting interviews, having officers prepare written statements, review records, etc.

In order to advise a grievant, representatives of the local Union may request copies of the information used by the Company to reach its conclusions for any response to a grievance that was filed by bargaining unit members through the Local. Disclosure of any confidential information relative to individual Officers will require written authorization from the subject Officer(s). Officers will hold the Company harmless for any information it provides to the Union with the Officer's appropriate authorization. Information that is not relevant to the grievance in question, is considered privileged and/or confidential by the Company or the Officer in question or that is protected by State or Federal law will not be made available.

- a. Step 1: The aggrieved Officer may present the complaint informally to his or her supervisor. If resolution is achieved at this informal level, the

matter does not need to be reduced to writing and will be considered closed.

- b. Step 2: An Officer who believes he or she has an unresolved grievance shall reduce the grievance to writing and present it to the Facility Human Resource Representative within five (5) workdays after the occurrence of the facts giving rise to the grievance. Human Resources will log the grievance, provide a tracking number and deliver the grievance to the facility Captain within two (2) workdays for response.

The Captain will have five (5) workdays, not to include scheduled days off, after receipt from Human Resources to respond to either an original or amended grievance. If requested by the aggrieved Officer, a Union Steward may be present at such presentation.

An official grievance will provide (at a minimum) the following information:

1. The specific terms of the Agreement alleged to have been violated;
2. A specific description of the grounds of the grievance including names, dates, places and times;
3. The proposed remedy being sought by the grievant;
4. The name, mailing address, and signature of the grievant;
5. Date of submission.

Failure to provide all information on the grievance form (items 1 through 5 above) will be grounds for the return of the grievance to the grievant. If the grievance is not amended and returned within five (5) workdays, the grievance will be deemed withdrawn.

- c. Step 3: If the grievance is not resolved in Step 2, the local Union President or his or her designee will request a meeting to discuss the grievance with the Facility Administrator or his or her designee within seven (7) workdays of the denial by the Captain. The Facility Administrator or his or her designee shall respond in writing within ten (10) workdays of the presentation of the grievance stating his final answer.
- d. If the grievance is not resolved in Step 3, the local Union President or the President's designee, within ten (10) workdays of the denial by the Facility Administrator or his or her designee, may submit the written grievance to arbitration.
- e. Officers have the right, if they so request, to have a Union representative present during each step of the grievance process. It is understood between the parties that the local Union President, Vice President, Shift Steward or alternate may act as the representative in question.

- f. As referenced in this Article, workdays do not include Saturday, Sunday, Holidays or scheduled off days. Scheduled days off apply to both the Officer and the Company Representative.
- 12.4 Only those grievances which have been processed in strict accordance with the requirements of the above paragraphs and which remain unsettled shall be processed to arbitration in accordance with the procedures and limitations described herein.
- 12.5 The Union shall have the power to determine whether or not a grievance filed by a member of the Union should be submitted for arbitration. The time limits set forth in each step of the grievance procedure may be extended by mutual agreement in writing and such extended time limits shall then be considered as applicable to the grievance involved for the purpose of this section.
- 12.6 The Arbitrator shall be selected from a panel of seven (7) proposed arbitrators, submitted by the Federal Mediation and Conciliation Services. The party requesting arbitration shall be responsible for contacting the FMCS to obtain the list. If the two parties cannot agree on an arbitrator during the review of the original list, a second list of prospective arbitrators may be requested from the FMCS. If the parties still cannot agree on an arbitrator then the strike method will be used on the second list.
- 12.7 Each dispute shall constitute a separate proceeding unless the question involved is common to more than one dispute, in which case the proceeding may be consolidated, but only with mutual consent of the parties. No grievance filed after the termination of this Agreement shall be arbitrable.
- 12.8 The arbitrator shall be governed at all times wholly by the terms of this Agreement. With respect to Article-14 of the Agreement, the arbitrator shall neither add to, subtract from, modify or alter the terms or provisions of this Agreement. Arbitration shall be confined solely to the application and/or interpretation of this Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted and is prohibited from using any standard not specifically specified in this Agreement, including but not limited to notions of industrial standards.
- 12.9 No claim for back wages under this Agreement shall exceed the amount of earnings the Officer would have otherwise earned by working for the Company, less any and all compensation the Officer received from any other source, including unemployment compensation. Under no circumstances will interest charges be included in any award for back pay. In the event an Officer is awarded back pay as a result of an arbitrator's ruling, deducted from the award will be any amounts received by the Officer for unemployment compensation and interim

earnings, as well as any amounts which could have been earned through reasonable efforts by the employee to mitigate. In no event may the arbitrator enter a monetary award for any item other than lost wages. The Arbitrator shall not have the power to award punitive or exemplary damages, attorney's fees, or any other form of non wage damages.

- 12.10 Issues of arbitrability shall be separated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) work days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, the arbitrator shall then proceed to hear the substantive issue(s) in accordance with Section 12.3d. at a mutually agreeable time.
- 12.11 Should either of the parties fail to attend the hearing as agreed, the Arbitrator shall be empowered to proceed with the hearing in the absence of either party, and shall be empowered to render a final decision, and award on the basis of only the evidence presented.
- 12.12 All fees and expenses of arbitration shall be borne equally by the parties. Each party shall bear the cost of preparing and presenting its own case. The party desiring a transcript of the arbitration proceedings shall provide written notice to the other party of its intention to have a transcript of the arbitration made at least one week prior to the date of the arbitration. The party desiring such transcript shall be responsible for scheduling a stenotype reporter to record the proceedings. The requesting party is responsible for the cost of the stenotype reporter and the transcript of the proceedings.
- 12.13 The decision or award of the arbitrator shall be final and binding upon the Company, the Union and the grievant, provided any party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to applicable law.
- 12.14 Nothing in this article shall be constructed to circumvent the right of any Officer to take a grievance up with the Company and have same resolved without the intervention of the Union provided the settlement is not inconsistent with any of the provisions of the Agreement, and further provided the Union has been given the opportunity to have a representative present at the time of settlement.
- 12.15 Any Officer or Union policy grievance not appealed or processed strictly within the time limits and in the manner set forth in each step of the grievance procedure shall be considered settled on the basis of the last answer by the Company. Any grievance step not answered by the Company within the time limits and in the manner set forth in each step of the above procedure may be appealed directly to the next step of the grievance process by the Union at any time within ten (10) work days of the Company's default.

- 12.16 No grievance shall be filed or processed if it concerns a matter occurring more than five (5) work days before the Company or the affected Officer(s) knew or should have reasonably known that the events would result in the filing of an official grievance.
- 12.17 It is the specific intention of the parties that the grievance and arbitration procedures set forth herein are the exclusive and sole mechanism for the resolution of any grievances, disputes, disagreements or claims made under or related to this Agreement.
- 12.18 Nothing contained herein shall prohibit the Company's ability to file and process its own grievance under the procedure outlined above.
- 12.19 In the event the parties settle any grievance prior to a final and binding determination by an arbitrator, such settlement shall be on a non precedent setting basis unless the parties affirmatively state otherwise in writing signed by both parties. Evidence of any such non precedent setting settlements shall not be admissible in any proceedings under this Article, including but not limited to, arbitration hearings.
- 12.20 The Company will provide copies of all disciplinary notices to the affected Officer.

ARTICLE 13 UNIFORMS

- 13.1 Uniforms and equipment shall be supplied where required by the Company, and replaced as necessary. Uniforms or equipment worn or used by the Officers who are on duty shall be prescribed by the Company, and no deviation from the Company's requirements shall be practiced except with the consent of the Company.
- 13.2 Uniforms, equipment, and other Company issued items remain the property of the Company and must be returned upon separation, or instead the Officer must pay eighty percent (80%) replacement cost for uniform items and pay one hundred percent (100%) of replacement cost of unreturned equipment.
- 13.3 The following lists those Uniform items provided by the Company which (except where noted) are required to be returned by the Officer at the end of his service:
- a. Company ID Card and/or insignia
 - b. 5-Shirts
 - c. 5-Pairs Pants
 - d. 1-Belt
 - e. 1-Cap (this item need not be returned at the end of service)
 - f. 1-Badge

- g. 1-Removable Lined All-Weather Jacket
- h. 1-Whistle and Chain
- i. 1-Name Tag
- j. 1-Utility Belt with Radio Holster

ARTICLE 14 JUST CAUSE

- 14.1 Except where otherwise provided in this Agreement, where appropriate, the Company will adhere to concepts of Progressive Discipline, which it defines as the corrective process of applying penalties short of dismissal or long-term suspension where conduct is of a less serious nature. The nature of discipline should be appropriate to the conduct and need not begin with the least serious disciplinary action. Acceptance of the principle of progressive discipline does not limit the Company's authority to dismiss for serious offenses that cannot be condoned. Officers may be suspended without pay during a disciplinary investigation. Should the officer be reinstated he will receive pay for all lost regularly scheduled time at their regular hourly rate.
- 14.2 No Officer shall be disciplined or discharged without just cause. The Company shall notify the Union in writing, that the services of an Officer are no longer desirable, and that he has been disciplined or discharged. Any Officer not granted a required security clearance or fails to maintain licenses required for the position shall be discharged without recourse to grievance or arbitration procedures.
- 14.3 The following are representative of the reasons that constitute Just Cause for immediate dismissal:
- Dishonesty,
 - The illegal use, sale or possession of narcotics, drugs or alcohol,
 - Any type of theft,
 - Insubordination,
 - Workplace Violence
 - Being under the influence of drugs and/or alcohol,
 - Leaving a duty post without being properly relieved,
 - Inattention to post (sleeping, reading non work related materials, TV, radio, etc.),
 - Sexual and other forms of harassment, in conjunction with the Company's general orders and regulations.
- 14.4 Other disciplinary action will consist of:
- Verbal Counseling, and so noted in the personnel file
 - Written Reprimand, and so noted in the personnel file.

- **Work Improvement Plan:** A plan specifically tailored to improve identified weaknesses in an Officer may be imposed for a period of one (1) to twelve (12) months. During this time, Officers will receive regular feedback from appropriate supervisors. At the end of the designated period, the Officer's suitability for employment will be re-evaluated.
- **Suspension:** A temporary layoff without pay for serious misconduct or repeated offenses.
- **Dismissal:** The result of a serious breach of a rule, standard, practice, policy, procedure or as a result of repeated disciplinary problems.

To decide on the appropriate action the Company may consider: the seriousness of the Officer's conduct, employment record, ability to correct the conduct, actions taken for similar conduct by other Officers, how the conduct affects prisoners, the client and the public and other circumstances.

- 14.5 Any Officer arrested for a felony or serious misdemeanor will be placed on leave without pay pending resolution of any criminal prosecution stemming from the arrest. If the criminal prosecution has not been resolved within 12 months of the arrest; the Officer enters a plea of guilty or nolo contendere to the criminal charges stemming from the arrest; or the Officer is found guilty of the charges stemming from the arrest, then the Officer will be terminated with no recourse to either the grievance or arbitration procedures set forth in Article 12 of this agreement. If the Officer is found not guilty or the charges are dropped, the Officer will be reinstated with no back pay (unless the charges were initiated by the Company), but with no loss of seniority. The Company retains the prerogative to review the circumstances surrounding the arrest and based on its findings will take appropriate disciplinary action, if warranted.
- 14.6 Disciplinary actions, excluding statutory claims that have been upheld, will remain in an Officer's personnel file, but cannot be used against the Officer after the expiration of 12 months from the date of the last violation.

ARTICLE 15 SAVINGS CLAUSE

- 15.1 SHOULD ANY PART OF THIS AGREEMENT, OR ANY PORTION THEREIN CONTAINED BE RENDERED OR DECLARED ILLEGAL, INVALID, OR UNENFORCEABLE BY A COURT OF COMPETENT JURISDICTION, INCLUSIVE OF APPEALS, IF ANY, OR BY THE DECISION OF ANY AUTHORIZED GOVERNMENTAL AGENCY, SUCH INVALIDATION OF SUCH PART OF THIS AGREEMENT SHALL NOT INVALIDATE THE REMAINING PORTIONS THEREOF. IN THE EVENT OF SUCH OCCURRENCE, THE PARTIES AGREE TO MEET IMMEDIATELY, AND IF POSSIBLE, TO NEGOTIATE SUBSTITUTE

PROVISIONS FOR SUCH PARTS OR PORTIONS RENDERED OR DECLARED ILLEGAL OR INVALID. THE REMAINING PARTS AND PROVISIONS OF THE AGREEMENT SHALL REMAIN IN FULL FORCE AND EFFECT.

ARTICLE 16 MANAGEMENT RIGHTS

- 16.1 Subject to the express provisions of this Agreement, management's rights include those listed in this article as well as any rights that are usual and customary.
- 16.2 The management of the Company's operations and direction of the working forces, including, but not limited to: establish new jobs; abolish or change existing jobs; assign and change work duties and responsibilities; employ; promote; demote; train; transfer; lay off; recall; discipline, suspend or discharge; determine the number of employees necessary for any operation; determine the number of hours to be worked; schedule hours of work, including starting and quitting times and meal and break times; increase and decrease the work force; establish, change, and maintain performance standards and methods; deploy the workforce within the facility in the manner it considers the most effective and efficient to meet the operational needs; determine the qualifications, efficiency and ability of employees; maintain the efficiency of operations and employees; determine services to be offered; determine the source of supply for all services, goods, or materials; institute technological changes or improvements in operations; use temporary employees from third party providers, as long as it does not result in layoff or reduction of hours of bargaining members; transfer operations; decide the number and location of facilities; close a facility or a portion thereof; acquire, sell to or merge with other companies; require the taking of physical, mental, drug, or alcohol tests; require Officers to consent to credit checks; require officers complete cooperation in investigation of potential theft or fraud; and make and revise such reasonable rules and regulations in connection with the Company's operations and the conduct and duties of its employees in respect of such operations as are deemed advisable, will be vested exclusively in the company, subject only to such limitations as are specifically set forth in this Agreement. The Company need not necessarily exercise rights reserved to it, or if the Company does exercise its reserved rights in any particular way, such will not be deemed a waiver of its right to exercise them in other ways not in conflict with the express provisions of this Agreement. The Company maintains and retains all management rights and the enumeration of management's rights herein shall not be deemed to exclude any other management rights.

ARTICLE 17A
(OFFICERS WORKING AT THE DESERT VIEW MEDIUM COMMUNITY
CORRECTIONAL FACILITY-ONLY)
SICK LEAVE/TARDINESS

17A.1 The provisions of this article do not apply to the conditions required by State or Federal regulations i.e., FMLA, ADA, California Family Rights Act, California Fair Employment and Housing Act or other governing statutes.

17A.2 Sick Leave

- a. During the term of this Agreement, full-time and probationary Officers shall, after 90 days of service, accrue four (4) hours of Sick Leave for each month of service not to exceed forty-eight (48) hours per anniversary year of employment. Sick leave is to be used to cover absences necessitated by personal illness or family emergency, and visits to a doctor or dentist in instances where it is impossible to schedule such visits during off duty hours.
- b. Sick Pay shall be paid at the Officer's straight-time hourly pay rate, eight (8) hours per day and will not be considered as hours worked for the purpose of computing overtime.
- c. Officers may accumulate and carry over Sick Leave up to 240 hours (30 workdays) from one anniversary year to the next. Officers are not paid for unused Sick Leave when they resign or are discharged.
- d. As an incentive for non-use of Sick Leave, Officers who have satisfactorily completed their probationary period, can earn one personal leave-day with pay for perfect attendance from January 1st through June 30th and another day from July 1 through December 31st. Personal Leave days must be taken in the 180-day period after it was earned. Entitlement shall begin after completing the first, full six (6) month period described above. The Officer may use an earned personal leave-day anytime during the 6 month period after the date it was earned. The Officer must notify his or her supervisor of his or her intent to take an earned personal leave-day at least 5 days in advance. The use of said earned day shall not affect future accumulation.
- e. If more than one Officer requests to take a personal leave day and the Company is not able to grant all requests, the Officer with the most seniority will be given preference. It is understood that, based on security concerns, the Company may not be able to grant an Officer's request for personal leave time; however, the Company will make every effort to approve personal leave if possible.

- f. Proof of illness in the form of a doctor's medical certificate shall be required if any Officer is absent for three (3) consecutive workdays or if the illness occurs during an Officer's annual leave. For absences of less than three (3) days, a doctor's certificate may be required if the Company has reasonable grounds to believe that the officer has been, or is, abusing his Sick Leave privileges as outlined in section (i.) below. Any misrepresentation will result in discipline as outlined in Article-14.
- g. Unless an emergency occurs which prevents the giving of notice of the utilization of Sick Leave, the facts and circumstances of which may require verification, the Officer shall personally notify the shift supervisor of his or her illness at least two (2) hours before the scheduled beginning of work. If possible, Officers shall give earlier notice.
- h. Any Officer whose established attendance record or circumstances of any absence are questionable may be required by the Company to produce evidence of illness.
- i. Being ill before or after days off, paydays, company holidays or functions, scheduled vacation days, calendar holidays or other events, will cause Officers to come to the attention of their supervisors who will discuss the issue with them, set expectations for future performance and begin the progressive disciplinary process as outlined in Article-14. Should an Officer provide to the Company a valid doctor's excuse or documented excuse for an appointment, scheduled appointment or family medical emergency which would otherwise qualify for the use of sick leave, such absences will not be indicative of forming a pattern of abusing sick leave.
- j. Sick leave shall not be allowed in advance of being earned. In the event an Officer has not earned sick leave or exhausts all sick leave benefits, absences will be recorded as unpaid time and said absences shall be considered unexcused.
- k. The use of Sick Leave shall not be accepted for personal days off or to compensate Officers who miss work for any reason other than those listed in 17.2, a. of this Article.
- l. All absences from work, other than those allowed in this Agreement (sick leave, vacation, jury duty, etc.) will be considered unexcused absences. Unexcused absences will result in disciplinary action, up to and including discharge.

17A.3 Tardiness

- a. Tardiness is defined as failing to report for duty at the scheduled reporting time within the parameters established by the time keeping system.
- b. Tardiness will be monitored by supervisors who will take the following actions for violations:
 1. First Tardy: Supervisors will issue a verbal counseling (noted in personnel file).
 2. Second Tardy: (within 120-days of the first tardy) Supervisors will issue a Written Counseling and place the Officer on a 120-day Work Improvement Plan.
 3. Third Tardy: (first tardy after 120-day the Work Improvement Plan began) Supervisors will issue a Written Reprimand.
 4. Fourth Tardy: (second tardy after the 120-day Work Improvement Plan began). Supervisors will suspend the Officer without pay for five (5) scheduled workdays.
 5. Fifth Tardy: (third tardy after the 120-day Work Improvement Plan began). Supervisors will suspend the Officer without pay. The Facility Administrator will recommend termination of the Officer through the appropriate corporate review process.
- c. If at any time after a Work Improvement Plan has been implemented an Officer is tardy free for a period of 120 consecutive days the officer will be returned to the beginning of the process outlined in Section-b.
- d. The 120-day period represents calendar days and not scheduled workdays.
- e. The Company reserves the right to discharge Officers who, in its opinion, demonstrate a pattern of abusing this process.

**ARTICLE 17B
(OFFICERS WORKING AT ADELANTO DETENTION FACILITY
ADELANTO EAST AND WEST ONLY)
EXCUSED/UNEXCUSED ABSENCES and TARDINESS**

- 17B.1 The Company and the Union agree that prompt and consistent attendance is an important part of the performance record each Officer builds from the day they are hired. The success of an Officer depends in large measure on how well he performs the job *each day*. Attendance in a detention environment is essential to providing for the safety and security of the facility and providing the services

required of the Company and the Client. Officers are expected to work their scheduled shifts and if unable to do so, to follow certain guidelines that will assist their fellow Officers and facility Management to meet contractual post assignment obligations.

- 17B.2 The processes below allow for a number of occurrences of tardiness and/or unexcused absences before any discipline is administered, because it is recognized that a reasonable amount of absence due to a bona fide sickness or emergency situation is often beyond the control of the employee. On the other hand, the parties agree that the facility is entitled to a reasonable degree of regularity in the attendance of Officers, and that disciplinary action is proper for failure to adhere to a reasonable attendance standard. Therefore, procedures contained in this Article will be consistently applied to all Officers.
- 17B.3 All absences from work, other than those allowed in this Agreement will be considered unexcused absences. Unexcused absences will result in progressive disciplinary action that could lead to discharge. Officers will not be required to forfeit Vacation Time to compensate the Company for an unexcused absence.
- 17B.4 Excused Absences are those absences that have been approved in advance by the Officer's Supervisor. Examples of an Excused Absence are vacation time, jury duty, bereavement leave, etc. The provisions of this article do not apply to the conditions required by State or Federal regulations i.e., FMLA, Military Leave, or other governing statutes.
- 17B.5 An Unexcused Absence is defined as any absence from work that has not been pre-approved by the Officer's Supervisor. An example of an unexcused absence is calling off a scheduled shift. A rolling twelve (12) month period is the applicable period of time within which occurrences are counted under this section. Each separate time an employee is absent is counted as one "occurrence" and the Officer will receive one (1) point for each occurrence. Consecutive days of absence for the same reason will count as only one "occurrence" except as provided in Section 17.5, e below. Each time an Officer is tardy will count as one-half (1/2) an occurrence and the Officer will receive one-half (1/2) of a point.
- a. All absences from work, other than those allowed in this Agreement (vacation, bereavement leave, jury duty, etc.) will be considered unexcused absences. Any Officer whose established attendance record or circumstances of any absence are questionable may be required by the Company to produce evidence of illness.
 - b. Unless an emergency occurs which prevents the giving of notice that the Officer is unable to work his scheduled shift, the facts and circumstances of which may require verification, the Officer shall personally notify the Shift Supervisor at least two (2) hours before the scheduled beginning of his shift. If possible, Officers shall give earlier notice.

- c. If any Officer is absent for three (3) consecutive workdays or if the illness occurs during an Officer's annual leave, proof of illness in the form of a doctor's medical certificate shall be required. For absences of less than three (3) days, a doctor's certificate may be required if the Company has reasonable grounds to believe that the Officer has been, or is, abusing this process. Any misrepresentation will result in discipline as outlined in Article-14.
- d. Patterns of unexcused absences, such as calling in before or after: days off, paydays, company holidays or functions, scheduled vacation days, calendar holidays or other events, will cause Officers to come to the attention of their supervisors who will discuss the issue with them, set expectations for future performance and begin the progressive disciplinary process as outlined in Article-14.
- e. As noted in Article 5, Section 5.3 above, any Officer who is absent for a period of two (2) consecutive days without notifying their Supervisor or higher authority will be considered as having abandoned their position and their employment will be terminated.

17B.6 Tardiness is defined as failing to report for duty at the scheduled reporting time within the parameters established by the time keeping system.

17B.7 Unexcused Absences and Tardiness will be monitored by the Officer's Supervisor in conjunction with the facility Human Resources or Payroll personnel.

17B.8 The following accumulative total points received during any rolling 12-month period will result in disciplinary action as described below:

2 Points.....	First Warning -Verbal
4 Points.....	Second Warning - Written
6 Points.....	Final Reprimand
8 Points.....	Dismissal

For example, if an employee receives two (2) Points, the employee will be issued a Verbal Counseling. When the employee receives two (2) additional Points, for an accumulated total of four (4) Points, the employee will receive a Written Reprimand. (Each two (2) additional points during any rolling 12-month period will result in the next disciplinary step.)

17B.9 The Company reserves the right to discharge Officers who, in its opinion, demonstrate a continuing pattern of abusing this process.

17B.10 As an incentive for Perfect Attendance Officers have the opportunity to earn two Perfect Attendance Days per year. If an Officer has Perfect Attendance for a six (6) month period between January 1st and June 30th or between July 1st and

December 31st, they will receive one personal paid holiday for each period. The holiday must be taken within the six (6) month period following the award. Officers must inform their Supervisor at least two weeks in advance of taking any earned paid personal holiday. Perfect Attendance is defined as having no Unexcused Absences or Tardiness.

ARTICLE 18 JURY DUTY AND WITNESS PAY

- 18.1 Officers are required to provide a copy of the Notice of Jury Service upon receipt. They are required to inform their Supervisor as soon as possible after learning the specific date of service required. Upon presenting documentation of jury service performed the Company shall reimburse the Officer for each regularly scheduled hour missed. The Officer will receive his straight-time hourly pay rate, up to eight (8) hours per scheduled workday missed to a maximum of ten (10) days in any 12-month period. Transportation fees provided to Officers for serving as a juror shall not be considered as jury duty pay. Officers are expected to return to work if excused from jury duty in time to perform at least four (4) hours of a work shift.
- 18.2 If an Officer, while serving as an Officer for the Company, is called as a witness for the Company, the Client or for the prosecution for a crime involving a work related incident, the Officer (unless he is the defendant in the case at question) will be compensated for all time so served at the appropriate rate.
- 18.3 Jury duty shall not be considered as time worked for the purpose of computing overtime.
- 18.4 Witness pay, as defined in Section 18.2, will be considered as time worked for the purpose of computing overtime.

ARTICLE 19 BEREAVEMENT PAY

- 19.1 Upon the death of a:
- Parent,
 - Spouse,
 - Spouse's parent,
 - Child,
 - Step parent,
 - Step-child,
 - Child's spouse,
 - Grandchild,
 - Grandparent,
 - Brother or sister, or

- Other person, as designated by appropriate statute,

of a full-time non-probationary Officer, the Officer will be granted up to three (3) days leave with pay, not including the Officer's regular days off, in order for the Officer to make arrangements for and to attend the funeral. The Officer is required to provide a newspaper clipping, death certificate, funeral program or other form of validation.

- 19.2 Bereavement Pay shall not be considered as time worked for the purposes of computing overtime.
- 19.3 Upon a death qualifying under Section 19.1, the Facility Administrator, or his or her designee, will consider, on a case-by-case basis, requests to extend Bereavement Leave through the use of available vacation time or approved GEO Leave.

ARTICLE 20 HOLIDAYS

- 20.1 The Company will provide full-time Officers the following ten (10) paid holidays regardless of the day on which the holiday falls:

New Year's Day	Labor Day
Martin Luther King's Day	Veteran's Day
President's Day	Thanksgiving Day
Memorial Day	Christmas Day
Fourth of July	Officer's Personal Day*

*Officers are required to notify their shift supervisor 2 weeks prior to their choice of day they intend to take their personal holiday.

- 20.2 Officers may opt to take their personal holiday on any day they are scheduled to work (e.g., the actual day of their birthday, the actual birthday of their spouse or another family member, the actual day of their anniversary, or another day of personal significance to the particular officer). Whatever day an Officer elects to take as his or her personal holiday, the Officer must still notify the shift supervisor 2 weeks in advance of the chosen day. Should more than one Officer select the same day off, the administration retains the right to approve the number of Officers that will be allowed to take the day off. Selection will be made on a first come, first served basis.
- 20.3 Officers scheduled to work and those not scheduled but who work a listed holiday will be paid at their regular hourly rate for all hours worked on the holiday, plus eight (8) hours of Holiday Pay at their regular straight-time hourly rate. Appropriate overtime rules apply to the actual number of hours worked on a

holiday or during a week in which a holiday falls. The eight (8) hours of Holiday Pay are not included as hours worked for the purpose of calculating overtime.

- 20.4 Officers in an active payroll status who are not scheduled to work and who do not work on a listed holiday will be paid eight (8) hours of Holiday Pay at their regular straight-time hourly rate.
- 20.5 An Officer scheduled to work a holiday, and who does not work, will forfeit Holiday Pay, and may otherwise be subject to disciplinary action consistent with sick leave or absences as noted in applicable Article 17.
- 20.6 Hours paid under section 20.3 above will not be considered as hours worked for the purpose of computing overtime.

- 21.1 During the term of this Agreement, the Company will provide paid vacation for full-time, Officers as follows:

<u>Years Service</u>	<u>Pay Period Accrual</u>	<u>Annual Accrual</u>
1. Less than 5 years	3.077 Hours	80 Hours
2. Greater than 5 but less than 10 years	4.616 Hours	120 Hours
3. Greater than 10 years	6.154 Hours	160 Hours

- 21.2 Officers accrue vacation time every pay period beginning upon their date of hire (also referred to as their anniversary date).
- 21.3 Officers are encouraged to take vacation time within the twelve (12) month period following each anniversary year of employment. Officers may accrue vacation up to a maximum of one hundred twenty (120) hours in excess of their annual vacation benefit. Officers working at Adelanto East and West will not be allowed to accrue or carry over vacation time from one anniversary year to the next and must be paid for any unused vacation time at the end of each anniversary year.
- 21.4 Unused vacation that has been earned and vested shall be paid at the time of separation from employment with GEO in accordance with the provisions of state law.
- 21.5 If a designated holiday named in this Agreement falls during an Officer's vacation period, such Officer shall be entitled to receive pay for such holiday [eight (8) hours at the Officer's straight time hourly rate in addition to their vacation pay].
- 21.6 Vacation preferences will be determined as follows:

- a. Officers will select their preference for vacation based on seniority within their shift during an open selection period from January 1st through January 15th each year. Officers should be prepared to submit their request on January 1st. Generally accrued vacation time should be taken in 8-hour segments, however Officers may use accrued vacation time in as little as 1-hour segments if they so chose. Officers may take accrued vacation in weekly blocks up to and including the number of weekly blocks accrued in one year. Upon seven (7) days advanced written notice to the payroll clerk Officers may choose to receive vacation pay prior to the start of their approved vacation time.
 - b. Employees filing their vacation requests during the January 1st through January 15th will be schedule by seniority. If more vacation requests than are allotted are received for any period of time seniority selection will continue until all vacation is scheduled.
 - c. The Company will attempt to meet work requirements in accordance with the vacation schedule. Failing in this, the Company will designate those employees whose services cannot be spared on a reverse seniority basis.
 - d. Officers who are entitled to more than two weeks of vacation will be allowed a second round selection period from January 15th to January 31st.
 - e. An Officer who elects not to make a selection during the open selection period or who has not earned vacation time by the end of the first open selection period may choose their vacation time from the remaining available dates on a first come first served basis.
 - f. If an Officer changes shifts on an involuntary basis he will be allowed to retain his preferred vacation time. In these cases should the Officer's days off change the Company will make every attempt to adjust his vacation days with his new days off. Should an Officer change shifts on a voluntary basis he will be required to select his vacation from the remaining available dates.
 - g. The Company shall approve the time an Officer takes his vacation. Once vacation time has been approved, it is not the intent of the Company to deny vacation except in cases of emergency.
 - h. Approval of vacation time requires a minimum of two weeks prior notice from the Officer.
- 21.7 Vacation time shall not be considered as time worked for the purpose of computing overtime.
- 21.8 Except as provided in sections 21.3 and 21.4, Officers entitled to vacation will not be given pay in lieu thereof.

- 22.2 On an annual basis, the Company agrees to match 50% of an Officer's contribution up to a maximum 5% of his annualized pay into the 401K plan. Officers are eligible for the Company match upon enrollment in the plan and with the first pay period after enrollment papers have been processed. This does not limit an Officer's contribution to the 401K. Officers may elect to contribute any percentage of their base pay to the Plan up to any specified legal limitations. However, the 50% Company match is limited to the first 5% of Officers contributions.
- 22.3 Should the plan benefits be increased over the life of the Agreement the Company will provide any increased contributions to the Officers covered by this Agreement.

FOR OFFICERS WORKING AT THE ADELANTO DETENTION FACILITY
(ADELANTO EAST AND WEST)
HEALTH INSURANCE AND COMPANY BENEFITS

- 24B.1 After the Adelanto Detention Facility (Adelanto East and West) has been opened and operational for a minimum of 90 days, Officers will be given the opportunity to vote to accept the Union's Health Insurance and Benefits Plans or to remain under the Company's Health and Benefits Plans. Should Officers choose to participate in the Union's Health Insurance and Benefits Plans, all Officers at Adelanto East and West will no longer be eligible to participate in the Company Health and Benefits and will be transitioned to the Union's Plans at the first open enrollment date following the vote (currently expected to be November 1, 2011). This vote has no effect on Officers working at the Desert View Medium Correctional Facility.
- 24B.2 Should Officers at the Adelanto Detention Facility (Adelanto East and West) vote to participate in the Union's Health Insurance and Benefits Plans the following will be in effect:
 - a. The Company agrees to recognize the following Health and Welfare benefit rate, unless the prevailing Department of Labor Wage Determination lists a higher rate, then that rate will be in force.

Effective February 18, 2011 \$3.50 per hour

- b. The Company agrees to reopen negotiations for Health and Welfare benefits and hourly contribution increases annually provided that the Union makes a request to reopen negotiations at least sixty (60) days prior to the beginning of each contract year.
 - c. Effective November 1, 2011, the appropriate hourly Health and Welfare monies will be forwarded to the Union's Third Party Administrator no less

than five (5) working days after each payday. It is the Union's responsibility to notify the Company of the name of the Union's Third Party Administrator and any changes relative to it and provide a file with the names of the Officers and the deduction amounts prior to each payday. Health and Welfare monies are only to be used for medical, dental, life, vision, disability, supplemental insurance and any related Officer benefit. All bargaining unit Officers will be enrolled into the Union's Health and Welfare plan.

- d. The Company's responsibility under this article is the withholding and forwarding to the Union or its designated Third Party Administrator Health and Welfare monies plus any additional funds deducted as authorized by the Officer, and prescribed under Section f. below. The Company must be provided with necessary documentation from said Officer, confirming Officers withholding election. The Union will be responsible for the administration of its health plan benefits and any other supplemental benefits provided to the Officers through the Union. The Company will assist with distributing enrollment materials to new hires and submitting completed forms to the Third Party Administrator.
- e. Subject to the conditions and particulars listed above, any additional or required Officer contributions for health insurance coverage and/or any other supplemental benefit offered by or through the Union will, at the Officer's option, be deducted by means of a payroll deduction. The Company must be provided with the necessary documentation to confirm such Officer election.
- f. As a condition of the Company being responsible for withholding and forwarding all such monies for any Officer covered under this agreement and eligible for such contribution, all such Officers must complete an authorization form, which authorizes the Company to deduct any and all contributions made for said Officers. The Union or its Third Party Administrator will provide a file of such deductions prior to each payday. Such authorization shall specify amounts to be deducted from the Officer's paycheck. For any and all error(s) relative to such contributions, said errors meaning errors made by the Officer in completing any forms, the responsibility for said error shall be the Officer's. For any and all periods when the Officer was ineligible (ineligible Officers are those who are not on active status), the Union shall have the right to recover such contributions from the Officer.
- g. To enable the Union benefit consultant to go to market in an attempt to improve member's health benefits, the Company agrees to provide the necessary data for the benefit consultant to obtain quotes. This will include a census of all bargaining unit Officers, prior and current plan designs/rates, and their claims experience for the prior 12 months. The Company also agrees to supply the Third Party Administrator with a list of new hires each month. Also to be included are Officers that have terminated employment, Officers on

leave, and any changes of status including changing from part-time to full-time, full-time to part-time and/or promotions into management. The list is to have name, status change date (hire, term, leave, promotion/demotion, full-time or part-time status, date of birth, and social security number or Officer ID Number).

ARTICLE 25

WAIVER OF BARGAINING RIGHTS AND AMENDMENTS TO AGREEMENT

- 25.1 During the negotiations resulting in this Agreement, the Company and the Union each had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining; all such subjects were discussed and negotiated upon; and the agreements contained herein were arrived at after the free exercise of such rights and opportunity.
- 25.2 This Agreement supersedes any previous agreements, rules, regulations or customs governing the Company, its employees and the Union. The parties agree that they will not be bound by any past understandings or practices adopted by them or by other companies in the Company's industry unless those understandings or practices are agreed to in writing or incorporated in writing in the terms of this Agreement. Arbitration decisions and grievance procedure settlements rendered or reached concerning any other companies in the Company's industry shall not be considered as precedent under this Agreement and cannot be introduced as evidence or received into the record of any grievance proceeding or arbitration conducted under this Agreement.
- 25.3 Any changes in this Agreement, whether by addition, waiver, deletion, amendments or modifications, must be reduced to writing and executed by both the Company and the Union.

ARTICLE 26

OUTSIDE EMPLOYMENT

- 26.1 All Officers employed at the facility must obtain written approval from the Facility Administrator prior to becoming committed to Secondary Employment. Such approval will not be unreasonably withheld nor will it be arbitrary or capricious. Secondary Employment must not interfere with required duties or expectations, directly or indirectly create a conflict of interest or a situation that would be prohibited by State or Federal Law. Officers who are approved for Secondary Employment must advise their secondary employer that they (the Officer) are expected to respond without delay to emergency situations that occur at the Facility.
- 26.2 Any Officer who violates any provision of this Article may be subject to discipline.

ARTICLE 27
DRUG AND ALCOHOL TESTING

- 27.1 The Union collectively and its members individually recognize the sensitive nature of the company's business. As such, each recognizes that maintaining a drug and alcohol free work place is essential to the safety and security of all Officers, the general public, the inmates and the institution.
- 27.2 The Union collectively and the members individually agree that the Company has the right to implement policies and procedures related to drug and alcohol testing and that these policies may include provisions for both cause and prevention testing.
- 27.3 Drug testing includes provisions for testing for Cause and Prevention. Procedures are found in GEO Policy #3.2.6 Personnel, Drug Free Workplace.
- 27.4 When the Company has a "reasonable" suspicion to believe that an Officer is in violation of Company Rules of Conduct related to the use of alcohol or drugs, the Facility Administrator or his designee may require the Officer to submit to an alcohol and/or drug test. Procedures are established in GEO Policy #3.2.6. Personnel: Drug Free Workplace.
- 27.5 An Officer may refuse to submit to a drug screening or alcohol test. However the Officer shall be warned that such refusal constitutes grounds for immediate dismissal and then be allowed an opportunity to submit to the testing as though the Officer had originally complied with the order.
- 27.6 The Union collectively and the members individually agree that Company, Client or other regulating authority drug testing policies or regulations are subject to review and change. Changes made by the Client or other regulating agencies will be binding on the parties to this Agreement.
- 27.7 Changes made by the Company will be negotiated with the Union prior to implementation.

ARTICLE 28
MISCELLANEOUS PROVISIONS

- 28.1 The Union recognizes that it is the responsibility of Officers to familiarize themselves and learn all policies and rules established by the Company or its client, and faithfully report all violations thereof. The Union agrees that Officers shall discharge all duties as assigned to them impartially and without regard to any Union or non-union affiliation of any Officer of the Company or client, and that failure to do so may be cause for discipline.

- 28.2 It is understood that no provisions of this Agreement will apply to any temporary supplementary correctional force transferred to work at the facility to maintain contractual obligations to the client or during emergency situations. Unless the Client exercises their contractual option to assume operation of the facility or Officers are engaged in an adverse job action against the Company, such supplementary force will not result in job loss, or in the loss of normal hours to permanent Officers coming under this agreement while the supplementary force is being utilized.
- 28.3 The Union recognizes the principle of management responsibility, and that the Company must furnish satisfactory service in accordance with the demands and directives of the Company's client and the requirements of the particular job.
- 28.4 The Company shall provide a Bulletin Board for use by the Union with the understanding the Union shall not post nor distribute any letters, handbills, or notices etc., elsewhere on the site. Bulletin Board postings shall not contain any partisan political literature, offensive or derogatory language, signs or symbols related to the Company, the Client, visitors, other staff or any other individual or organization. Violation by the Union may result in the loss of privilege. Bulletin Board postings will be limited to:
- a. Notices of Recreational-Social Events
 - b. Notice of Union Elections
 - c. Notice of Results of Union Elections
 - d. Notice of Union Meetings
 - e. Notices of Other "Official" Union Business
- 28.5 Officers are entitled to meet with the Facility Administrator or his designee to review their personnel file. This review will be scheduled at a mutually convenient time in accordance with the needs of the business or applicable state laws. Information contained in an Officer's personnel file shall be considered confidential. Officers may not request removal of items from the file, but can if they wish add rebuttal statements or additional information related to items contained within the file. Officers may request copies of file documents that bear their signature.
- 28.6 The Union may designate one Officer for each shift to act as its Shift Steward. Each shift may have one (1) alternate, who shall function as the Shift Steward only when the regular Shift Steward is absent or unavailable. The local Union will keep the Company currently advised in writing of the identity of the Shift Stewards and their alternates, as well as the identity of the local Union officials. Only Officers named by the local Union as currently holding any of the above positions will be recognized by the Company as representing the Union.
- 28.7 The Company and the Union agree that only those Officers in non-probationary, non-disciplinary and active employment status may act as representatives under

the terms of this Agreement. Exemptions are the Local Union President and Officers of the International Organization.

- 28.8 An Officer interviewed concerning his discipline may request a Union representative be present during such interview. Nothing herein shall be construed to compel an Officer to have Union representation present. If an Officer requests Union representation, the Officer will not be required to respond to questions until the representative is present. Once the Union representative is present, questioning may begin and the Officer may confer with the Union representative regarding his responses. Although the Officer may consult with the Union representative related to the issue at hand, the Company requires all interview responses come from the Officer.
- 28.9 The Union recognizes that representation of Officers is not meant to circumvent the normal relationship between supervisor and Officer as it pertains to discussions and counseling. The right to Union representation shall not apply to conversations between an Officer and the supervisor for the purpose of giving instructions concerning work performance, providing training or retraining or non-disciplinary correction of work habits or techniques.
- 28.10 No Shift Steward, alternate Shift Steward, or any other local Union officer may leave an assigned duty post or work assignment to engage in representation of Officers during a pre-disciplinary investigatory interview or disciplinary proceeding without first notifying and receiving authorization from the Shift Supervisor. The Company shall not unreasonably withhold such authorization.
- 28.11 No Shift Steward, alternate Shift Steward or other Union officer will be allowed to leave an assigned post without proper relief.
- 28.12 No Shift Steward, alternate Shift Steward or other Union officer shall cause an Officer to leave their assigned post without first notifying the Shift Supervisor and receiving proper authorization.
- 28.13 Officers will be paid at the appropriate rate for all required Company training.
- 28.14 Whereas the parties to this Agreement realize that it is always best to resolve issues as they arise and in the spirit of cooperation and mutual respect, meetings between the Union and the Company are encouraged. These meetings may be held at least once per month if requested by either party and at a time and place of mutual agreement. The purpose of the meetings is to discuss issues of mutual concern. The Union and the Company may be represented by no more than two representatives each. The parties will exchange a written proposed agenda for the meetings within five (5) working days before the scheduled meeting. The attendees of the Labor/Management meetings shall have no power to change, alter, modify or amend this Agreement. It is understood that these meetings are not intended to supplant the grievance and arbitration procedures as set forth in

this Agreement. These meetings may be discontinued at any time during the life of this Agreement with written notice by either party to the other.

ARTICLE 29 DURATION

Except as otherwise provided herein, this Agreement becomes effective on February 25, 2011 and shall continue in force and effect until midnight February 24, 2014 and from year to year thereafter, unless either party receives written notice from the other party, not less than sixty (60) days, nor more than ninety (90) days, immediately prior to the expiration date, of its intention to amend, modify or terminate this Agreement, provided that if the Company shall cease to operate at this site, this Agreement shall automatically terminate and the rights and obligations of both the Union and the Company hereunder, shall automatically cease except with reference to those Officers covered herein shall remain in the employment of the Company for the purpose of performing work arising from the termination provisions of the Company's agreement with the Client, and as to such Officers, this Agreement shall continue in effect until termination of employment of such Officers.

STANDARD FORM 30 (REV. 10-83)
Prescribed by GSA FAR (48 CFR) 53.243

2.11 Sexual Abuse and Assault Prevention and Intervention

I. Purpose and Scope

This detention standard requires that facilities that house ICE/ERO detainees act affirmatively to prevent sexual abuse and assaults on detainees; provide prompt and effective intervention and treatment for victims of sexual abuse and assault; and control, discipline and prosecute the perpetrators of sexual abuse and assault.

This detention standard applies to the following types of facilities housing ERO detainees:

- Service Processing Centers (SPCs);
- Contract Detention Facilities (CDFs); and
- State or local government facilities used by ERO through Intergovernmental Service Agreements (IGSAs) to hold detainees for more than 72 hours.

Procedures in italics are specifically required for SPCs, CDFs, and Dedicated IGSA facilities. Non-dedicated IGSA facilities must conform to these procedures or adopt, adapt or establish alternatives, provided they meet or exceed the intent represented by these procedures.

Various terms used in this standard may be defined in standard “7.5 Definitions.”

II. Expected Outcomes

Specific requirements are defined in “V. Expected Practices.” The expected outcomes of this detention standard are as follows:

1. the facility shall articulate and adhere to a standard of zero tolerance for incidents of sexual

abuse or assault that may occur in the facility. Sexual assault or abuse of detainees by other detainees, staff, volunteers, or contract personnel is prohibited and subject to administrative, disciplinary and criminal sanctions.

2. detainees and staff shall be informed about the facility’s Sexual Abuse and Assault Prevention and Intervention Program and the zero tolerance policy.
3. staff shall receive training on working with vulnerable populations and addressing their potential vulnerability in the general population, and shall assign housing accordingly.
4. detainees shall be screened by staff to identify those likely to be sexual aggressors or sexual victims and these detainees shall be housed to prevent sexual abuse or assault. Detainees who are considered likely to become victims shall be placed in the least restrictive housing that is available and appropriate.
5. any allegation of sexual abuse or assault shall be immediately and effectively reported to ICE/ERO. In turn, ICE/ERO will report the allegation as a significant incident, and refer the allegation for investigation.
6. staff receiving reports of sexual abuse shall limit the disclosure of information to individuals with a need-to-know in order to make decisions concerning the detainee-victim’s welfare, and for law enforcement/investigative purposes.
7. staff suspected of perpetrating sexual abuse or assault shall be removed from all duties requiring detainee contact pending the outcome of the investigation.
8. detainees shall be encouraged to promptly report acts of harassment of a sexual nature, abuse or signs of abuse observed, and shall not be punished for reporting.

9. if sexual abuse or assault of any detainee occurs, the medical, psychological, safety and legal needs of the detainee shall be promptly and effectively addressed.
10. as appropriate to the event, the detainee victimized by an act of sexual abuse, assault or any mistreatment while being detained in the facility shall be referred, under appropriate security provisions, to the health care unit for treatment. Gathering of clinical forensic evidence shall be conducted by external independent and qualified health care personnel.
11. assailants will be disciplined and may be subject to criminal prosecution.
12. documentation of medical and mental health evaluations and treatment, crisis intervention counseling and recommendations for post-release follow-up treatment and/or counseling shall be retained in the detainee's medical file in accordance with an established schedule;
13. for monitoring, evaluating and assessing the effectiveness of the sexual abuse or assault prevention and intervention program, incidents of sexual abuse or assault shall be specifically documented and tracked. ICE/ERO shall be notified promptly of any report of sexual abuse or assault;
14. the DHS Office of the Inspector General (OIG) hotline poster and all of "Appendix 2.11.C: Sexual Assault Awareness" shall be posted in every housing pod with information that assists detainees in reporting abuses;
15. facility policies and procedures will include a requirement that staff of the opposite gender will announce their presence upon entering detainee living areas; and
16. the applicable content and procedures in this standard shall be communicated to the detainee

in a language or manner the detainee can understand.

All written materials provided to detainees shall generally be translated into Spanish. Where practicable, provisions for written translation shall be made for other significant segments of the population with limited English proficiency.

Oral interpretation or assistance shall be provided to any detainee who speaks another language in which written material has not been translated or who is illiterate.

III. Standards Affected

This detention standard incorporates the requirements for posting and distributing information to ICE/ERO detainees in a memorandum entitled "Sexual Assault Awareness Information" from the ICE/ERO Acting Director (10/26/2006). The information for detainees was provided in both poster and pamphlet format (see "Appendix 2.11.C: Sexual Assault Awareness" in this standard).

V. Expected Practices

A. Written Policy and Procedures Required

Each facility administrator shall have written policy and procedures for a Sexual Abuse or Assault Prevention and Intervention Program that includes, at a minimum:

1. a zero-tolerance policy for all forms of sexual abuse or assault;
2. measures taken to prevent sexual abuse and/or sexual assault;
3. the requirement that any allegation to staff of sexual assault or attempted sexual assault be reported immediately to a supervisor and to ERO.
4. measures taken for prompt and effective intervention to address the safety and treatment needs of detainee victims if an assault occurs;
5. data collection and reporting; and
6. the requirements for coordination with the ICE Office of Professional Responsibility (OPR) for investigation or referral of incidents of sexual assault to another investigative agency, and discipline and prosecution of assailants (see “Appendix 2.11.C: Sexual Assault Awareness” in this standard).

Each facility must have a policy and procedure for required reporting through the facility’s chain-of-command procedure, from the reporting official to

the highest facility official as well as the Field Office Director. Each facility administrator shall consider utilizing available community resources and services to provide valuable expertise and support in the areas of crisis intervention, counseling, investigation and the prosecution of sexual abuse and/or assault perpetrators to most appropriately address victims’ needs. The facility administrator shall maintain or attempt to enter into memoranda of understanding (MOU) or other agreements with community service providers or, if local providers are not available, with national organizations that provide legal advocacy and confidential emotional support services for immigrant victims of crime.

“Appendix 2.11.B: Sample Sexual Abuse Prevention and Intervention Protocols” in this standard offers sample protocols as guidelines for the development of written policies and procedures.

The facility administrator shall ensure that, within 90 days of the effective date of this detention standard, written policy and procedures are in place and that the facility is in full compliance with its requirements and guidelines. The facility must meet all other requirements in this standard on the effective date of the standard.

Each facility’s policy and procedures shall reflect the unique characteristics of each facility, based on factors such as the availability of specialized community-based services, including rape crisis/trauma units in local medical centers, clinics and hospitals.

The facility administrator shall review and approve the local policy and procedures and shall ensure that the facility:

1. specifies procedures for offering immediate protection, including prevention of retaliation and medical and mental health referrals, to any detainee who alleges that he/she has been

- sexually assaulted;
2. specifies procedures for detainees to report allegations that allow for any staff to take a report;
 3. specifies procedures for reporting an allegation or suspicion of sexual assault through the facility's chain of command, including written documentation requirements to ensure that each allegation or suspicion is properly reported and addressed;
 4. specifies medical staff's responsibility to report allegations or suspicions of sexual assault to appropriate facility staff;
 5. specifies the evidence protocol to be used, including access to a forensic medical exam;
 6. specifies local response procedures (including referral procedures to appropriate law enforcement agencies) when a sexual assault is alleged or suspected;
 7. specifies procedures for coordination of internal administrative investigations with the assigned criminal investigative entity to ensure non-interference with criminal investigations;
 8. establishes procedures to include outside agencies in sexual abuse or assault prevention and intervention programs, if such resources are available;
 9. designates specific staff (e.g., psychologist, deputy facility administrator, appropriate medical staff) to be responsible for staff training activities; designates the senior manager responsible for ensuring that staff are appropriately trained, and respond in a coordinated and appropriate fashion, when a detainee reports an incident of sexual abuse or assault;
 10. specifies how a confirmed or alleged victim's

future safety, medical, mental health and legal needs shall be addressed;

11. specifies how medical staff shall be trained or certified in procedures for examining and treating victims of sexual assault, in facilities where medical staff shall be assigned these activities;
12. specifies disciplinary sanctions for staff, up to and including termination when staff has violated agency sexual abuse policies; and
13. designates a specific staff member to be responsible for detainee education regarding issues pertaining to sexual assault;
14. provides instructions on how to contact DHS/OIG or ICE/OPR to confidentially report sexual abuse or assault.

B. Program Coordinator

The facility administrator shall designate a Sexual Abuse and Assault Prevention and Intervention Program coordinator to:

1. assist with the development of written policies and procedures for the Sexual Abuse and Assault Prevention and Intervention Program, as specified above in this standard (the program coordinator shall also be responsible for keeping them current);
2. assist with the development of initial and ongoing training protocols;
3. serve as a liaison with other agencies;
4. coordinate the gathering of statistics and reports on incidents of sexual abuse or assault, as detailed in "L. Tracking Incidents of Sexual Abuse and/or Assault" in this standard;
5. review the results of every investigation of sexual abuse and conduct an annual review of all investigations in compliance with the Privacy

Act to assess and improve prevention and response efforts; and

6. review facility practices to ensure required levels of confidentiality are maintained.

C. Acts of Sexual Abuse and/or Assault

For the purposes of this standard, the following definitions apply:

1. Detainee-on-detainee Sexual Abuse and/or Assault

One or more detainees, by force, coercion, or intimidation, engaging in or attempting to engage in:

- a. contact between the penis and the vagina or anus and, for purposes of this subparagraph, contact involving the penis upon penetration, however slight;
-  b. contact between the mouth and the penis, vagina or anus;
- c. penetration, however slight, of the anal or genital opening of another person by a hand or finger or by any object;
- d. touching of the genitalia, anus, groin, breast, inner thighs or buttocks, either directly or through the clothing, with an intent to abuse, humiliate, harass, degrade or arouse or gratify the sexual desire of any person; or
- e. threats, intimidation, or other actions or communications by one or more detainees aimed at coercing or pressuring another detainee to engage in a sexual act.

Specifically, detainees may be charged with prohibited acts detailed in standard “3.1 Disciplinary System”:

- a. Code 101 Sexual Assault;
-  Code 206 Engaging in a Sex Act;

- c. Code 207 Making a Sexual Proposal;
- d. Code 300 Indecent Exposure; or
- e. Code 404 Using Abusive or Obscene Language.

2. Staff-on-detainee Sexual Abuse and/or Assault

One or more staff member(s), volunteer(s), or contract personnel engaging in or attempting to engage in:

- a. contact between the penis and the vagina or anus and, for purposes of this subparagraph, contact involving the penis upon penetration, however slight;
- b. contact between the mouth and the penis, vagina or anus;
- c. penetration, however slight, of the anal or genital opening of another person by a hand or finger or by any object;
- d. except in the context of proper searches and medical examinations, touching of the genitalia, anus, groin, breast, inner thighs or buttocks, either directly or through the clothing;
- e. threats, intimidation, harassment, indecent, profane or abusive language, or other actions (including unnecessary visual surveillance) or communications aimed at coercing or pressuring a detainee to engage in a sexual act; or
- f. repeated verbal statements or comments of a sexual nature to a detainee, including demeaning references to gender, derogatory comments about body or clothing, or profane or obscene language or gestures.

D. Sexual Conduct between Detainees Prohibited

In addition to the forms of sexual abuse and/or assault defined above, all sexual conduct – including consensual sexual conduct – between detainees is prohibited and subject to administrative

and disciplinary sanctions. (It should be noted that consensual sexual conduct between detainees and staff, volunteers, or contract personnel is included within the definition of staff-on-detainee sexual abuse and/or assault above.)

E. Staff Training

Training on the facility's Sexual Abuse or Assault Prevention and Intervention Program shall be included in training for employees, volunteers and contract personnel and shall also be included in annual refresher training thereafter. The level and type of training for volunteers and contractors will be based on the services they provide and their level of contact with detainees; however, all volunteers and contractors who have any contact with detainees must be notified of the facility's zero-tolerance policy. The facility must maintain written documentation verifying employee, volunteer and contractor training.

Training shall include:

1. definitions and examples of prohibited and illegal behavior;
2. agency prohibitions on retaliation against detainees and staff who report sexual abuse;
3. instruction that sexual abuse and/or assault is never an acceptable consequence of detention;
4. recognition of situations where sexual abuse and/or assault may occur;
5. recognition of the physical, behavioral and emotional signs of sexual abuse and/or assault and ways to prevent such occurrences;
6. the requirement to limit reporting of sexual abuse and assault to personnel with a need-to-know in order to make decisions concerning the detainee-victim's welfare, and for law enforcement/investigative purposes;
7. the investigation process and how to ensure that

evidence is not destroyed;

8. prevention, recognition and appropriate response to allegations or suspicions of sexual assault involving detainees with mental or physical disabilities;
9. instruction on reporting knowledge or suspicion of sexual abuse and/or assault and making intervention referrals to the facility's program; and
10. instruction on documentation and referral procedures of all allegations or suspicion of sexual abuse and/or assault.

"Appendix 2.11.A: Resources" in this standard lists resources available from the National Institute of Corrections and other organizations that may be useful in developing a training program and/or for direct use in training.

F. Detainee Notification, Orientation and Instruction

The facility administrator shall ensure that the orientation program, required by standard "2.1 Admission and Release," and the detainee handbook required by standard "6.1 Detainee Handbook," notify and inform detainees about the facility's zero tolerance policy for all forms of sexual abuse and assault.

Following the intake process, the facility shall provide instruction to detainees on the facility's Sexual Abuse and Assault Prevention and Intervention Program and ensure that such instruction includes (at a minimum):

1. the facility's zero-tolerance policy for all forms of sexual abuse or assault;
2. prevention and intervention strategies;
3. definitions and examples of detainee-on-detainee sexual abuse, staff-on-detainee sexual abuse and

coercive sexual activity;

4. explanation of methods for reporting sexual abuse or assault, including the DHS/OIG and the ICE/OPR investigation processes;
5. information about self-protection and indicators of sexual abuse;
6. prohibition against retaliation, including an explanation that reporting an assault shall not negatively impact the detainees immigration proceedings; and
7. right of a detainee who has been subjected to sexual abuse or assault to receive treatment and counseling.

Detainee notification, orientation and instruction must be in a language or manner that the detainee understands. The facility shall maintain documentation of detainee participation in the instruction session.

Each facility's sexual abuse or assault prevention and intervention program shall provide detainees who are victims of sexual abuse or assault the option to report the incident or situation to a designated staff member other than an immediate point-of-contact line officer (e.g., the program coordinator or a mental health specialist). The facility shall provide detainees with the name of the program coordinator or designated staff member and information on how to contact him or her. Detainees will also be informed that they can report any incident or situation regarding sexual abuse, assault or intimidation to any staff member.

As cited earlier under "III. Standards Affected," ICE/ERO has provided a sexual assault awareness notice to be posted on all housing-unit bulletin boards, as well as a "Sexual Assault Awareness Information" pamphlet to be distributed (see "Appendix 2.11.C: Sexual Assault Awareness" in this standard). The facility shall post with this notice the name of the program coordinator and

local organizations that can assist detainees who have been victims of sexual assault. This information will be provided in English and Spanish, and to other segments of the detainee population with limited English proficiency, through translations or oral interpretation.

Where practicable, provisions for written translation shall be made for other significant segments of the population with limited English proficiency. Oral interpretation or assistance shall be provided to any detainee who speaks another language in which written material has not been translated or who is illiterate.

G. Prevention

All staff and detainees are responsible for being alert to signs of potential situations in which sexual assaults might occur, and for making reports and intervention referrals as appropriate.

Classification is an ongoing, dynamic process. A detainee who is subjected to sexual abuse or assault shall not be returned to general population until proper re-classification, taking into consideration any increased vulnerability of the detainee as a result of the sexual abuse or assault, is completed.

In accordance with standards "2.1 Admission and Release" and "2.2 Custody Classification System":

1. Detainees shall be screened upon arrival at the facility for potential vulnerabilities to sexually aggressive behavior or tendencies to act out with sexually aggressive behavior.
2. Each new arrival shall be kept separate from the general population until he/she is classified and may be housed accordingly.
3. Detainees with a history of sexual assault shall be identified, monitored and counseled while they are in ICE custody. Detainees identified as "high risk" for committing sexual assault shall

be assessed by a mental health or other qualified health care professional and treated, as appropriate.

4. Detainees at risk for sexual victimization shall be identified, monitored and counseled. Detainees identified as “high risk” for sexual victimization shall be assessed by a mental health or other qualified health care professional. Detainees who are considered at risk shall be placed in the least restrictive housing that is available and appropriate.
5. Detainees identified as being “at risk” for sexual victimization shall be transported in accordance with that special safety concern. The section on “Count, Identification and Seating,” found in standard “1.3 Transportation (by Land),” requires that transportation staff seat each detainee in accordance with written procedures from the facility administrator, with particular attention to detainees who may need to be afforded closer observation for their own safety.

H. Prompt and Effective Intervention

Staff sensitivity toward detainees who are victims of sexual abuse and/or assault is critical.

Staff shall take seriously all statements from detainees claiming to be victims of sexual assaults, and shall respond supportively and non-judgmentally. Any detainee who alleges that he/she has been sexually assaulted shall be offered immediate protection from the assailant and shall be referred for a medical examination and/or clinical assessment for potential negative symptoms. Staff members who become aware of an alleged assault shall immediately follow the reporting requirements set forth in the written policies and procedures.

Facilities should use a coordinated, multidisciplinary team approach to responding to sexual abuse, such as a sexual assault response team (SART), which in

accordance with community practices, includes a medical practitioner, a mental health practitioner, a security staff member and an investigator from the assigned investigative entity, as well as representatives from outside entities that provide relevant services and expertise.

Care must be taken not to punish a confirmed or alleged sexual assault victim. Victimized detainees should not be subject to disciplinary action either for reporting sexual abuse or for participating in sexual activity as a result of force, coercion, threats, or fear of force. Care shall be taken to place the detainee in a supportive environment that represents the least restrictive housing option possible (e.g. protective custody). However, victims shall not be held for longer than five days in any type of administrative segregation, except in highly unusual circumstances or at the request of the detainee. .

I. Reporting, Notifications and Confidentiality

Each facility shall develop written procedures to establish the process for an internal administrative investigation that shall be conducted in all cases only after consultation with the assigned criminal investigative entity or after a criminal investigation has concluded. Such procedures shall establish the coordination and sequencing of the two types of investigations, to ensure that the criminal investigation is not compromised by an internal administrative investigation. All incidents and allegations of sexual abuse or assault shall be reported immediately.

Information concerning the identity of a detainee victim reporting a sexual assault, and the facts of the report itself, shall be limited to those who have a need-to-know in order to make decisions concerning the detainee-victim’s welfare, and for law enforcement/investigative purposes.

1. Alleged Detainee Perpetrator

When a detainee(s) is alleged to be the perpetrator, it is the facility administrator's responsibility to ensure that the incident is promptly referred to the appropriate law enforcement agency having jurisdiction for investigation and reported to the Field Office Director.

2. Alleged Staff Perpetrator

When an employee, contractor or volunteer is alleged to be the perpetrator of detainee sexual abuse and/or assault, it is the facility administrator's responsibility to ensure that the incident is promptly referred to the appropriate law enforcement agency having jurisdiction for investigation and reported to the Field Office Director. The local government entity or contractor that owns or operates the facility shall also be notified.

Staff suspected of perpetrating sexual abuse or assault shall be removed from all duties requiring detainee contact pending the outcome of an investigation.

J. Investigation and Prosecution

If a detainee alleges sexual assault, a sensitive and coordinated response is necessary. All investigations into alleged sexual assault must be prompt, thorough, objective, fair and conducted by qualified investigators. The program coordinator shall be responsible for reviewing the results of every investigation of sexual abuse.

When possible and feasible, appropriate staff shall preserve the crime scene, and safeguard information and evidence in coordination with the referral agency and consistent with established evidence-gathering and evidence-processing procedures.

At no cost to the detainee, the facility administrator shall arrange for the victim to undergo a forensic medical examination. During the forensic exam, the

victim may request that an outside advocate be present for support. The results of the physical examination and all collected physical evidence are to be provided to the investigative entity.

Appropriate infectious disease testing, as determined by the health services provider, may be necessary. Part of the investigative process may also include an examination and collection of physical evidence from the suspected assailant(s).

K. Health Care Services and Transfer of Detainees to Hospitals or Other Facilities

Victims shall be provided emergency medical and mental health services and ongoing care. When possible and feasible, victims of sexual assault shall be referred, under appropriate security provisions, to a community facility for treatment and for collection of evidence.

If available and offered by a community facility, prophylactic treatment, emergency contraception and follow-up examinations for sexually transmitted diseases shall be offered to all victims, as appropriate.

If these procedures are performed in-house, the following guidelines apply:

1. Health care professionals shall conduct an examination to document the extent of physical injury and to determine whether referral to another medical facility is indicated. With the victim's consent, the examination shall include collection of evidence from the victim, using a kit approved by the appropriate authority.
2. All collected forensic evidence must be secured and processed according to the facility's established plan for maintaining the chain of custody for criminal evidence.
3. Health care professionals shall test for sexually

transmitted diseases and infections (e.g., HIV, gonorrhea, hepatitis, chlamydia and other diseases/infections) and refer victim for counseling, as appropriate.

4. Prophylactic treatment, emergency contraception and follow-up examinations for sexually transmitted diseases shall be offered to all victims, as appropriate.
5. Following a physical examination, a mental-health professional shall evaluate the need for crisis intervention counseling and long-term follow-up.

Once the transfer has taken place, a report shall be made to the facility administrator or designee to confirm that the victim has been separated from his/her assailant. Transfers shall take into account safety and security concerns and the special needs of victimized detainees.

L. Tracking Incidents of Sexual Abuse and/or Assault

All case records associated with claims of sexual abuse, including incident reports, investigative reports, offender information, case disposition, medical and counseling evaluation findings, and recommendations for post-release treatment, if necessary, and/or counseling shall be maintained in appropriate files in accordance with these detention standards and applicable policies, and retained in accordance with established schedules.

Particularly applicable to the storage, confidentiality and release of case records are the requirements of the "Confidentiality and Release of Medical Records" section of standard "4.3 Medical Care" and the requirements of standard "7.1 Detention Files," especially in regard to the Privacy Act of 1974. Because of the very sensitive nature of information about victims and their medical condition, including infectious disease testing, staff must be particularly

vigilant about maintaining confidentiality and releasing information only for legitimate need-to-know reasons.

Monitoring and evaluation are essential for assessing both the rate of occurrence of sexual assault and agency effectiveness in reducing sexually abusive behavior. The program coordinator is responsible for an annual review of aggregate data (omitting personally identifying information) and shall present the findings to the Field Office Director and ICE/ERO headquarters for use in determining changes to existing policies and practices to determine whether changes are needed to further the goal of eliminating sexual abuse. Accordingly, the facility administrator must maintain two types of files.

1. General files include:

- a. the victim(s) and assailant(s) of a sexual assault;
- b. crime characteristics;
- c. detailed reporting timeline, including the name of the staff member receiving the report of sexual assault, date and time the report was received, and steps taken to communicate the report up the chain of command; and
- d. all formal and/or informal action taken.

2. Administrative investigative files include:

- a. all reports;
- b. medical forms;
- c. supporting memos and videotapes, if any; and
- d. any other evidentiary materials pertaining to the allegation.

The facility administrator shall maintain these files chronologically in a secure location.

In addition, the facility administrator shall maintain a listing of the names of sexual assault victims and

ssailants, along with the dates and locations of all sexual assault incidents occurring within the facility, on his/her computerized incident reporting system. Such information shall be maintained on a need-to-know basis in accordance with the standards “4.3 Medical Care” and “7.1 Detention Files,” which includes protection of electronic files from unauthorized access. At no time may law enforcement sensitive documents or evidence be stored at the facility.

Access to this designation shall be limited to those staff involved in the treatment of the victim or the investigation of the incident. The authorized designation shall allow appropriate staff to track the detainee victim or assailant of sexual assault across the system. Based on the designated reporting data, the ICE/ERO program office shall report annually the number of sexual assaults occurring within secure detention facilities utilized by ICE/ERO. Data shall be provided through the SEN system.

Appendix 2.11.B: Sample Sexual Abuse Prevention and Intervention Protocols

These protocols serve as guidelines for staff in the development of written policies and procedures for a Sexual Abuse and Assault Prevention and Intervention Program.

Some procedures may not be applicable or feasible for implementation at a particular facility; however, to the extent possible, they shall be incorporated as part of a successful program.

I. Victim Identification (All Staff)

A. Primarily, staff learns that sexual abuse or assault has occurred during confinement because:

1. staff discover an assault in progress;
2. a victim reports an assault to a staff member;
3. another detainee reports abuse or an assault, or a detainee is the subject of detainee rumors; or
4. medical evidence indicates the probability of abuse or an assault.

While some victims can be clearly identified, many, or even most, may not come forward directly with information. Some victims may be identified through unexplained injuries, changes in physical behavior due to injuries, abrupt personality changes such as withdrawal or suicidal behavior, or other changes in behavior.

B. The following guidelines may help staff in responding appropriately to a suspected victim:

1. If it is suspected that the detainee was sexually assaulted, the detainee shall be advised:
 - a. of the importance of getting help to deal with the assault;
 - b. that he/she may be evaluated medically for

sexually transmitted diseases and other injuries; and

c. that trained personnel are available to assist.

2. Staff shall review the background of a suspected victim and the circumstances surrounding the incident without jeopardizing the detainee's safety, identity, or privacy.
3. If staff discovers an assault in progress, the suspected victim shall be removed from the immediate area for care and for interviewing by appropriate staff. The suspected victim shall be segregated for interviewing by the responding law enforcement entity.
4. The victim and the alleged assailant shall be separated immediately.
5. If a suspected victim is fearful of being labeled an informant, he/she shall be advised that the identity of the assailant(s) need not be disclosed in order for him/her to receive assistance.
6. The staff member who first identifies or suspects that a detainee has been abused or assaulted must report his/her suspicions to the security shift supervisor or investigative supervisor immediately.

II. Procedures for Investigation

All reports of alleged sexual abuse or assault must be handled and investigated in accordance with standard "2.11 Sexual Abuse and Assault Prevention and Intervention."

The facility's response should be coordinated and must ensure that all victims receive the medical and support services they need. Both internal and outside investigators must be able to obtain usable evidence to substantiate allegations and hold perpetrators accountable.

Facilities must use a coordinated, multidisciplinary team approach to responding to sexual abuse, which

may include a formalized sexual assault response team (SART). The SART should include a medical practitioner, a mental health practitioner, a security staff member and an investigator. SART members may consist of staff as well as representatives from outside entities that provide relevant services and expertise.

A. The following procedures, as addressed in this standard, apply in the cases of reported or known victims of sexual assault.

1. The victim should receive a prompt examination to identify medical and mental health needs and to minimize the loss of evidence.
2. The victim's acute medical and mental health needs should be addressed before evidence is collected on-site or before they are transported off-site for evidence collection.
3. If the incident occurred within 96 hours of the report, the victim should be instructed to avoid actions that could inhibit evidence collection prior to forensic medical examination.
4. All forensic medical exams must be conducted by specially educated and clinically trained medical examiners who have been trained in the use of standard investigative and evidence-gathering procedures.
5. All forensic medical exams must use standardized sexual assault collection kits ("rape kits").
6. The incident must be reported to the appropriate law enforcement agency.
7. The medical examiner or designated staff member must ensure that the victim receives follow-up care or referrals for follow-up care.

The following procedures may apply for reported or known victims of sexual assault. If the detainee was threatened with sexual assault or was assaulted on a

previous occasion, some steps may not be necessary.

The standard protocol is to transport every alleged victim and assailant (separately) to the nearest hospital for a "rape kit" as soon as possible.

B. Collect evidence from assailant (security and health services staff).

1. Identify the assailant if possible and isolate the assailant, whenever possible, pending further investigation.
2. Standard investigative and evidence-gathering procedures, by both internal and outside investigators.
3. Report the incident to the appropriate law enforcement agency.
4. If known, the assailant should undergo a forensic medical exam. If transported off-site for the exam, assailant and victim must be transported separately.
5. If facility medical staff attempts to examine the alleged assailant, findings shall be documented both photographically and in writing. A written summary of all medical evidence and findings shall be completed and maintained in the detainee's medical record. Copies shall also be provided to supervisory security staff and appropriate law enforcement officials.

III. Medical Assessment of Victim (Health Services Staff)

A. If trained medical staff are available in the facility, render treatment locally whenever feasible.

B. If the alleged victim is examined in the facility to determine the extent of injuries, all findings shall be documented both photographically and in writing, and placed in the detainee's medical record, with a copy to supervisory security staff and appropriate

law enforcement officials.

C. If deemed necessary by the examining physician, follow established procedures for use of outside medical consultants or for an escorted trip to an outside medical facility.

D. Notify staff at the community medical facility and alert them to the detainee's condition.

E. When necessary, conduct STD/STI and HIV testing and provide the option of emergency contraception if available.

F. Refer the detainee for crisis counseling or mental health services, as medically and time appropriate.

IV. Medical Transfers for Examination and Treatment (Security and Health Services Staff)

A. determined appropriate by the facility physician, and if approved by the facility administrator or designee, the detainee may be examined by medical personnel from the community.

A contractual arrangement may be developed with a rape crisis center or other available community medical service to enhance facility medical services. The contract shall provide for the following:

1. Clinical examination for assessing physical injuries and collecting any physical evidence of sexual assault, and
2. Contract medical personnel to come into the facility to escort detainees to the contract facility (e.g., crisis care center, medical clinic, hospital, etc.).

B. Escorting staff shall treat the victim in a supportive and non-judgmental way.

C. Information about the assault is confidential, and shall be given only to those directly involved in the investigation and/or treatment of the victim.

V. Mental Health Services (Mental Health Staff)

A. Mental health staff shall be notified immediately after the initial report of an allegation of sexual abuse or assault of a detainee.

B. Following the medical assessment, the alleged victim shall be seen by a mental health clinician within 24 hours of notification to the mental health staff, who will provide crisis intervention and assess any immediate and subsequent treatment needs.

C. The findings of the initial crisis evaluation session shall be summarized in writing within one week of the initial session, and shall be placed in the appropriate treatment record, with a copy provided to the hospital administrator or clinical director and other staff responsible for oversight of sexual abuse or assault prevention and intervention procedures.

D. Additional psychological or psychiatric treatment, as well as continued assessment of mental health status and treatment needs, shall be provided as needed, with the victim's full consent and collaboration. Decisions regarding the need for continued assessment and treatment shall be made by qualified clinicians according to established professional standards, and shall be made with awareness that a victim of sexual abuse or assault commonly experiences both immediate and delayed psychiatric or emotional symptoms.

E. If a victim chooses to continue to pursue treatment, the clinician shall either provide appropriate treatment or facilitate referral to an appropriate treatment option, including individual therapy, group therapy, further psychological assessment, assignment to a mental health counselor or facility, referral to a psychiatrist, or other treatment options. Pending referral, mental health services shall continue unabated. If a victim chooses

to decline further treatment services, he/she shall be asked to sign a statement to that effect.

F. All treatment and evaluation sessions shall be properly documented and placed in the appropriate treatment record to ensure continuity of care.

G. Should a victim be released from custody during the course of treatment, the victim shall be advised of community mental health resources in his/her area.

VI. Monitoring and Follow-up

A. Classification and security staff shall place the victim in appropriate housing and assess the risk of keeping the victim at the facility where the incident

occurred. Detainees who are considered likely to become victims again shall be placed in the least restrictive housing that is available and appropriate.

B. Housing, medical and mental health staff shall monitor the physical and mental health of the victim and coordinate the continuation of necessary services.

C. Medical staff shall dispense medication and provide routine examinations and STD and HIV follow-up.

D. Mental health staff shall conduct post-crisis counseling and arrange for psychiatric care if necessary.

Appendix 2.11.C: Sexual Assault Awareness

All of “Appendix 2.11.C: Sexual Assault Awareness” is required to be posted in each Housing Unit Bulletin Board at all Service Processing Centers and Contract Detention Facilities and by Intergovernmental Service Agreement Providers that house ICE detainees.

While detained by the Department of Homeland Security, Immigration and Customs Enforcement, Office of Enforcement and Removal, you have a right to be safe and free from sexual harassment and sexual assault. Report all attempted assaults and assaults to your housing unit officer, a supervisor, the Officer In Charge, directly to the DHS Office of the Inspector General (OIG) or the ICE Office of Professional Responsibility (OPR), Joint Intake Center.

Definitions

Detainee-on-detainee Sexual Abuse/Assault

One or more detainees, by force, coercion or intimidation, engaging in or attempting to engage in: contact between the penis and the vagina or anus; contact between the mouth and the penis, vagina, or anus; penetration of the anal or genital opening of another person by a hand, finger or any object; touching of the genitalia, anus, groin, breast, inner thighs or buttocks, either directly or through the clothing, with an intent to abuse, humiliate, harass, degrade or arouse or gratify the sexual desire of any person; or the use of threats, intimidation, or other actions or communications by one or more detainees aimed at coercing or pressuring another detainee to engage in a sexual act.

Staff-on-detainee Sexual Abuse/Assault

One or more staff member(s), volunteer(s), or

contract personnel engaging in or attempting to engage in: contact between the penis and the vagina or anus; contact between the mouth and the penis, vagina, or anus; penetration of the anal or genital opening of another person by a hand, finger or any object; touching of the genitalia, anus, groin, breast, inner thighs or buttocks, either directly or through the clothing, except in the context of proper searches and medical examinations; the use of threats, intimidation, harassment, indecent, profane or abusive language, or other actions (including unnecessary visual surveillance) or communications aimed at coercing or pressuring a detainee to engage in a sexual act; or repeated verbal statements or comments of a sexual nature to a detainee, including demeaning references to gender, derogatory comments about body or clothing, or profane or obscene language or gestures. Sexual conduct of any type between staff and detainees amounts to sexual abuse, regardless of whether consent exists.

Sexual abuse/assault of detainees by staff or other detainees is an inappropriate use of power and is prohibited by ICE policy and the law.

Prohibited Acts

Sexual abuse/assault is a crime and this facility has a zero tolerance policy for sexual assault and abuse. A detainee or staff member who commits sexual assault shall be punished administratively and may be subject to criminal prosecution.

A detainee who engages in such behavior can be charged with the following Prohibited Acts under the Detainee Disciplinary Policy:

- Code 101: Sexual Assault
- Code 207: Making a Sexual Proposal
- Code 404: Using Abusive or Obscene Language

- Code 206: Engaging in a Sex Act
- Code 300: Indecent Exposure or Language

Victimized detainees should not be subject to disciplinary action for reporting sexual abuse or for participating in sexual activity as a result of force, coercion, threats, or fear of force.

In addition, consensual sexual conduct between detainees is also prohibited and subject to administrative and disciplinary sanctions.

Detention as a Safe Environment

While you are detained, no one has the right to pressure you to engage in sexual acts or engage in unwanted sexual behavior regardless of your age, size, race or ethnicity. Regardless of your sexual orientation or gender identity, you have the right to be safe from unwanted sexual advances and acts.

Confidentiality

Information concerning the identity of a detainee victim reporting a sexual assault, and the facts of the report itself, shall be limited to those who have the need-to-know in order to make decisions concerning the detainee victim's welfare and for law enforcement/ investigative purposes.

Avoiding Sexual Assault

Sexual assault is never the victim's fault. Knowing the warning signs and red flags can help you stay alert and aware:

1. Carry yourself in a confident manner. Many attackers choose victims who look like they would not fight back or who they think are emotionally weak.
2. Do not accept gifts or favors from others. Most gifts or favors come with special demands or limits that the giver expects you to accept.
3. Do not accept an offer from another detainee to

be your protector.

4. Find a staff member with whom you feel comfortable discussing your fears and concerns. Report concerns!
5. Do not use drugs or alcohol; these can weaken your ability to stay alert and make good judgments.
6. Be clear, direct and firm. Do not be afraid to say "no" or "stop it now."
7. Choose your associates wisely. Look for people who are involved in positive activities like educational programs, work opportunities or counseling groups. Get yourself involved in these activities.
8. If you suspect another detainee is being sexually abused, report it to a staff member you trust or to the DHS/OIG at 1-800-323-8603 or ICE/OPR, Joint Intake Center at 1-877-246-8253.
9. Trust your instincts. Be aware of situations that make you feel uncomfortable. If it does not feel right or safe, leave the situation or seek assistance. If you fear for your safety, report your concerns to staff.

Report All Assaults

If you become a victim of a sexual assault, report the incident immediately to any staff person you trust, to include housing officers, deportation officers, chaplains, medical staff or supervisors. Staff members keep the reported information confidential and only discuss it with the appropriate officials on a need-to-know basis. If you are not comfortable reporting the assault to staff, you have other options:

1. Write a letter reporting the sexual misconduct to the Officer In Charge, Assistant Field Office Director, or Field Office Director. To ensure confidentiality, use special mail procedures.

- 
- File an emergency detainee grievance. If you decide your complaint is too sensitive to file with the Officer In Charge, you can file your grievance directly with the Field Office Director. You can get the forms from your housing unit officer, deportation staff or a facility supervisor.
 3. Call the ICE Office of Professional Responsibility, Joint Intake Center 24 hours a day at 1-877-246-8253.
 4. Write to the OIG, which investigates allegations of staff misconduct. The address is:
Office of Inspector General P.O. Box 27606
Washington, D.C. 20530
 5. Call, at no expense to you, the DHS/OIG or the ICE/OPR, Joint Intake Center. The phone number for the OIG is posted in your housing unit.

Individuals who sexually abuse or assault detainees can only be disciplined or prosecuted if the abuse is reported.

Next Steps after Reporting a Sexual Assault or Attempted Sexual Assault

You will be offered immediate protection from the assailant and you will be referred for medical examination and clinical assessment. You do not have to name the detainee(s) or staff member who assaulted you for you to receive assistance, but specific information may make it easier for staff to help you. You will continue to receive protection from the assailant, whether or not you have identified your attacker or agree to testify against them. It is important that you do not shower, wash, drink, change clothing or use the bathroom until evidence can be collected.

The Medical Exam

Medical staff shall examine you for injuries, which may or may not be readily apparent to you and shall

gather physical evidence of assault. Bring with you to the medical exam the clothes and underwear that you had on at the time of the assault. You shall be checked for the presence of physical evidence, which supports your allegation. With your consent, a medical professional shall perform a pelvic and/or rectal examination to obtain samples of, or document the existence of physical evidence such as hair, body fluids, tears, or abrasions that remain after the assault. This physical evidence is critical in corroborating that the sexual assault occurred and in identifying the assailant; trained personnel shall conduct the exam privately and professionally.

Understanding the Investigative Process

Once the misconduct is reported, the appropriate law enforcement agency shall conduct an investigation. The purpose of the investigation is to determine the nature and extent of the misconduct. You may be asked to give a statement during the investigation. If criminal charges are filed, you may be asked to testify during the criminal proceedings. Any detainee who alleges that he/she has been sexually assaulted will be offered immediate protection and will be referred for a medical examination.

The Emotional Consequences of Sexual Assaults

It is common for victims of sexual assault to have feelings of embarrassment, anger, guilt, panic, depression and fear several months or even years after the attack. Other common reactions include loss of appetite, nausea or stomach aches, headaches, loss of memory and/or trouble concentrating, and changes in sleep patterns. Emotional support is available from the facility's mental health and medical staff, and from the chaplains. Also, many detainees who are at high risk of sexually assaulting others have often been sexually abused themselves. Mental health services

are available to them also so that they can control their actions and heal from their own abuse.

Sexual assaults can happen to anyone: any gender, age, race, ethnic group, socio-economic status and to an individual with any sexual orientation or disability. Sexual assault is not about sex; it is about Power and control. All reports are taken seriously.

Your safety and the safety of others is the most important concern. For everyone's safety, all incidents, threats, or assaults must be reported.

Report all attempted assaults and assaults to your housing unit officer, a supervisor, the Officer In Charge, or directly to the DHS/OIG or ICE/OPR, Joint Intake Center.
